ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Senior Notes Offering

On January 15, 2010, Icahn Enterprises L.P. (“Icahn Enterprises”) and Icahn Enterprises Finance Corp. (“Icahn Enterprises Finance” and, together with Icahn Enterprises, the “Issuers”), closed their previously announced sale of \$850,000,000 aggregate principal amount of 7¾% Senior Notes due 2016 (the “2016 Notes”) and \$1,150,000,000 aggregate principal amount of 8% Senior Notes due 2018 (the “2018 Notes” and, together with the 2016 Notes, the “Notes”) pursuant to the purchase agreement, dated January 12, 2010 (the “Purchase Agreement”), by and among the Issuers, Icahn Enterprises Holdings L.P., as guarantor (the “Guarantor”), and Jefferies & Company, Inc., as initial purchaser (the “Initial Purchaser”). The 2016 Notes were priced at 99.411% of their face value and the 2018 Notes were priced at 99.275% of their face value. The gross proceeds from the sale of the Notes were approximately \$1,986,656,000, a portion of which was used to purchase the approximately \$1.28 billion in aggregate principal amount (or approximately 97%) of the 7.125% Senior Notes due 2013 (the “2013 Notes”) and the 8.125% Senior Notes due 2012 (the “2012 Notes” and, together with the 2013 Notes, the “Old Notes”) that were tendered pursuant to the previously announced cash tender offers and consent solicitations and to pay related fees and expenses. Interest on the Notes will be payable on January 15 and July 15 of each year, commencing July 15, 2010. The Purchase Agreement contains customary representations, warranties and covenants of the parties and indemnification and contribution provisions whereby the Issuers and the Guarantor, on the one hand, and the Initial Purchaser, on the other, have agreed to indemnify each other against certain liabilities. The Old Notes were satisfied and discharged on January 15, 2010.

The Notes were issued under and are governed by an indenture, dated January 15, 2010 (the “Indenture”), among the Issuers, the Guarantor and Wilmington Trust Company, as trustee. The Indenture contains customary events of defaults and covenants relating to, among other things, the incurrence of debt, affiliate transactions, liens and restricted payments. On or after January 15, 2013, the Issuers may redeem all of the 2016 Notes at a price equal to 103.875% of the principal amount of the 2016 Notes, plus accrued and unpaid interest, with such optional redemption prices decreasing to 101.938% on and after January 15, 2014 and 100% on and after January 15, 2015. On or after January 15, 2014, the Issuers may redeem all of the 2018 Notes at a price equal to 104.000% of the principal amount of the 2018 Notes, plus accrued and unpaid interest, with such option redemption prices decreasing to 102.000% on and after January 15, 2015 and 100% on and after January 15, 2016. Before January 15, 2013, the Issuers may redeem up to 35% of the aggregate principal amount of each of the 2016 Notes and 2018 Notes with the net proceeds of certain equity offerings at a price equal to 107.750% and 108.000%, respectively, of the aggregate principal amount thereof, plus accrued and unpaid interest to the date of redemption, provided that at least 65% of the aggregate principal amount of the 2016 Notes or 2018 Notes, as the case may be, originally issued remains outstanding immediately after such redemption. If the Issuers experience a change of control, the Issuers must offer to purchase for cash all or any part of each holder’s Notes at a purchase price equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest.

The Notes and the related guarantee are the senior unsecured obligations of the Issuers and rank equally with all of the Issuers’ and the Guarantor’s existing and future senior unsecured indebtedness and rank senior to all of the Issuers’ and the Guarantor’s existing and future subordinated indebtedness. The Notes and the related guarantee are effectively subordinated to the Issuers’ and the Guarantor’s existing and future secured indebtedness to the extent of the collateral securing such indebtedness. The Notes and the related guarantee are also effectively subordinated to all indebtedness and other liabilities of the Issuers’ subsidiaries other than the Guarantor.

In connection with the sale of the Notes, the Issuers and the Guarantor entered into a Registration Rights Agreement, dated January 15, 2010 (the “Registration Rights Agreement”), with the Initial Purchaser. Pursuant to the Registration Rights Agreement, the Issuers have agreed to file a registration statement with the U.S. Securities and Exchange Commission, on or prior to 120 calendar days after the closing of the offering of the Notes, to register an offer to exchange the Notes for registered notes guaranteed by the Guarantor with substantially identical terms, and to use commercially reasonable efforts to cause the registration statement to become effective by the 210th day after the closing of the offering of the Notes. Additionally, the Issuers and the Guarantor may be required to file a shelf registration statement to cover resales of the Notes in certain circumstances. If the Issuers and the Guarantor fail to satisfy these obligations, the Issuers may be required to pay additional interest to holders of the Notes under certain circumstances.

Acquisitions of Interests in American Railcar Industries, Inc. and Viskase Companies, Inc.

On January 12, 2010, Icahn Enterprises entered into a Contribution and Exchange Agreement (the “ARI Contribution and Exchange Agreement”) among Icahn Enterprises, Beckton Corp., a Delaware corporation (“Beckton”), Barberry Corp., a Delaware corporation (“Barberry”), Modal LLC, a Delaware limited liability company (“Modal”), and Caboose Holding LLC, a Delaware limited liability company (“Caboose” and, together with Barberry and Modal, collectively, the “ARI Contributing Parties”), pursuant to which, on January 15, 2010, at the closing of the transactions contemplated by the ARI Contribution and Exchange Agreement, the ARI Contributing Parties contributed to Icahn Enterprises 11,564,145 shares of common stock of American Railcar Industries, Inc. collectively owned by the ARI Contributing Parties for aggregate consideration consisting of 3,116,537 fully paid and non-assessable depository units of Icahn Enterprises (“Depository Units”), subject to certain post-closing adjustments. The transactions contemplated by the ARI Contribution and Exchange Agreement were authorized by the Audit Committee of the Board of Directors of Icahn Enterprises G.P., Inc., the general partner of Icahn Enterprises, on January 11, 2010. The Audit Committee was advised by independent counsel and retained an independent financial advisor which rendered a fairness opinion.

The transactions contemplated by the Viskase Contribution and Exchange Agreement were authorized by the Audit Committee of the Board of Directors of Icahn Enterprises G.P., Inc., the general partner of Icahn Enterprises, on January 11, 2010. The Audit Committee was advised by independent counsel and retained an independent financial advisor which rendered a fairness opinion.

(i) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Company will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar’s request.

(2) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 4.15 and 9.05 hereof).

(3) The Registrar will not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) Neither the Registrar nor the Company will be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection;

(7) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted electronically, with originals to be provided upon request by the Registrar.

Section 2.07 *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge for its expenses in replacing a Note.

Every replacement Note is an obligation of the Company and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note; however, Notes held by the Company or a Subsidiary of the Company shall not be deemed to be outstanding for purposes of Sections 3.07(a), 3.08(a) or 9.02 hereof.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned will be so disregarded.

Section 2.10 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Company will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of canceled Notes in accordance with its customary practice (subject to the record retention requirement of the Exchange Act). Certification of the disposal of all canceled Notes, or confirmation of the reduction in the aggregate principal amount outstanding represented by a Global Note, as applicable, will be delivered to the Company. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Company defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Company will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

ARTICLE 3

Section 3.01 *Notices to Trustee.*

If the Company elects to redeem the 2016 Notes or the 2018 Notes, as the case may be, pursuant to the optional redemption provisions of Sections 3.07 and 3.08 hereof, it must furnish to the Trustee, at least 15 days but not more than 60 days before a redemption date, an Officers' Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the 2016 Notes or the 2018 Notes, as the case may be, are to be redeemed or purchased in an offer to purchase at any time, the Trustee will select Notes for redemption or purchase on a *pro rata* basis except:

- (1) if the 2016 Notes or the 2018 Notes, as the case may be, are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the 2016 Notes or the 2018 Notes, as the case may be, are listed; or
- (2) if otherwise required by law or applicable requirements of the Depository.

In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 15 nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

The Trustee will promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

(a) At least 15 days but not more than 60 days before a redemption date, the Company shall send or cause to be sent by electronic transmission, in the case of Notes that are in the form of Global Notes, or by first class mail to each Holder who holds Definitive Notes at such Holder's registered address, a notice of redemption to each Holder whose Notes are being redeemed, except that redemption notices may be sent more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 11 hereof.

The notice will identify the Notes to be redeemed and will state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

(b) At the Company's request, the Trustee will give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company has delivered to the Trustee, at least 45 days prior to the redemption date (or such shorter period as is acceptable to the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in Section 3.03(a). If any of the Notes to be redeemed is in the form of a Global Note, then the Company shall modify such notice to the extent necessary to conform with the procedures of the Depository applicable to such redemption.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is sent in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may not be conditional.

Section 3.05 *Deposit of Redemption or Purchase Price.*

One Business Day prior to the redemption or purchase date, the Company will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and, accrued interest and Special Interest, if any, on all Notes to be redeemed or purchased on the redemption or purchase date. The Trustee or the Paying Agent will promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of and, accrued interest and Special Interest, if any, on all Notes to be redeemed or purchased.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Company will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *2016 Notes Optional Redemption.*

(a) At any time prior to January 15, 2013, the Company may on one or more occasions redeem up to 35% of the aggregate principal amount of 2016 Notes (including Additional 2016 Notes) issued under this Indenture at a redemption price of 107.750% of the principal amount thereof, plus accrued and unpaid interest and Special Interest, if any, to the redemption date, with the net cash proceeds of one or more Equity Offerings; *provided*, however, that:

(d) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08 *2018 Notes Optional Redemption.*

(a) At any time prior to January 15, 2013, the Company may on one or more occasions redeem up to 35% of the aggregate principal amount of 2018 Notes (including Additional 2018 Notes) issued under this Indenture at a redemption price of 108.000% of the principal amount thereof, plus accrued and unpaid interest and Special Interest, if any, to the redemption date, with the net cash proceeds of one or more Equity Offerings; provided, however, that:

(1) at least 65% of the aggregate principal amount of 2018 Notes issued under this Indenture remains outstanding immediately after the occurrence of such redemption (excluding 2018 Notes held by Icahn Enterprises and its Subsidiaries (including any Guarantor)); and

(2) the redemption occurs within 60 days of the date of the closing of such Equity Offering.

(b) Except pursuant to clause (a) of this Section 3.08, the 2018 Notes will not be redeemable at the Company's option prior to January 15, 2014.

(c) On or after January 15, 2014, the Company may redeem all or a part of the 2018 Notes upon not less than 15 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and Special Interest, if any, on the 2018 Notes redeemed to the applicable redemption date, if redeemed during the twelve-month period beginning on January 15 of the years indicated below, subject to the rights of Holders on any relevant record date to receive interest on any relevant interest payment date.

(d) Any redemption pursuant to this Section 3.08 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.09 *Mandatory Disposition Pursuant to Gaming Laws.*

(a) Notwithstanding any other provision of this Article 3, if any Gaming Authority requires that a Holder or Beneficial Owner of Notes be licensed, qualified or found suitable under any applicable Gaming Law and such Holder or Beneficial Owner:

(1) fails to apply for a license, qualification or a finding of suitability within 30 days (or such shorter period as may be required by the applicable Gaming Authority) after being requested to do so by the Gaming Authority; or

(2) is denied such license or qualification or not found suitable;

Icahn Enterprises shall then have the right, at its option:

(1) to require each such Holder or Beneficial Owner to dispose of its Notes within 30 days (or such earlier date as may be required by the applicable Gaming Authority) of the occurrence of the event described in clause (1) or (2) above, or

(2) to redeem the Notes of each such Holder or Beneficial Owner, in accordance with Rule 14e-1, if applicable, at a redemption price equal to the lowest of:

(a) the principal amount thereof, together with accrued and unpaid interest and Special Interest, if any, to the earlier of the date of redemption, the date 30 days after such Holder or Beneficial Owner is required to apply for a license, qualification or finding of suitability (or such shorter period that may be required by any applicable Gaming Authority) if such Holder or Beneficial Owner fails to do so ("Application Date") or of the date of denial of license or qualification or of the finding of unsuitability by such Gaming Authority;

Immediately upon a determination by a Gaming Authority that a Holder or Beneficial Owner of the Notes will not be licensed, qualified or found suitable and must dispose of the Notes, the Holder or Beneficial Owner will, to the extent required by applicable Gaming Laws, have no further right:

(1) to exercise, directly or indirectly, through any trustee or nominee or any other person or entity, any right conferred by the Notes, the Note Guarantee or this Indenture; or

(2) to receive any interest, Special Interest, dividends, economic interests or any other distributions or payments with respect to the Notes and the Note Guarantee or any remuneration in any form with respect to the Notes and the Note Guarantee from the Company, any Note Guarantor or the Trustee, except the redemption price referred to above.

(b) Icahn Enterprises shall notify the Trustee in writing of any such redemption as soon as practicable. Any Holder or Beneficial Owner that is required to apply for a license, qualification or a finding of suitability will be responsible for all fees and costs of applying for and obtaining the license, qualification or finding of suitability and of any investigation by the applicable Gaming Authorities and the Company and any Note Guarantor will not reimburse any Holder or Beneficial Owner for such expense.

(c) In connection with any redemption pursuant to this Section 3.09, and except as may be required by a Gaming Authority, the Company shall be required to comply with Sections 3.01 through 3.06 hereof.

Section 4.01 *Payment of Notes.*

The Company will pay or cause to be paid the principal of, premium, if any, and interest and Special Interest, if any, on, the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest and Special Interest, if any, will be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 10:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due. The Company will pay all Special Interest, if any, in the same manner on the dates and in the amounts set forth in the Registration Rights Agreement.

The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to 1% per annum in excess of the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Special Interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

If Icahn Enterprises or its Subsidiaries fail to close either the ARI Acquisition or the Viskase Acquisition on or prior to January 31, 2010, then each series of Notes will bear interest at a rate that is 1% per annum higher than the then applicable interest rate on such series of Notes from and after February 1, 2010 to and including the date that both the ARI Acquisition and the Viskase Acquisition have been closed.

Section 4.02 *Maintenance of Office or Agency.*

The Company will maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Company of its obligation to maintain an office or agency for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03 hereof.

Section 4.03 *Reports.*

(a) Whether or not required by the rules and regulations of the SEC, so long as any Notes are outstanding, the Company will furnish to the Holders of Notes or cause the Trustee to furnish to the Holders of Notes, within the time periods specified in the SEC's rules and regulations:

(1) all quarterly and annual reports that would be required to be filed with the SEC on Forms 10-Q and 10-K if the Company were required to file such reports; and

(2) all current reports that would be required to be filed with the SEC on Form 8-K if the Company were required to file such reports.

All such reports will be prepared in all material respects in accordance with all of the rules and regulations applicable to such reports. Each annual report on Form 10-K will include a report on the Company's consolidated financial statements by the Company's certified independent accountants. In addition, the Company will file a copy of each of the reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the rules and regulations applicable to such reports (unless the SEC will not accept such a filing) and, if the SEC will not accept such a filing, will post the reports on its website within those time periods. The Company will at all times comply with TIA §314(a).

If, at any time, the Company is no longer subject to the periodic reporting requirements of the Exchange Act for any reason, the Company will nevertheless continue filing the reports specified in the preceding paragraphs of this Section 4.03 with the SEC within the time periods specified above unless the SEC will not accept such a filing. The Company will not take any action for the purpose of causing the SEC not to accept any such filings. If, notwithstanding the foregoing, the SEC will not accept the Company's filings for any reason, the Company will post the reports referred to in the preceding paragraphs on its website within the time periods that would apply if the Company were required to file those reports with the SEC.

(b) In addition, the Company agrees that, for so long as any Notes remain outstanding, if at any time it is not required to file with the SEC the reports required by the preceding paragraphs it will furnish to the Holders of Notes and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Section 4.04 *Compliance Certificate.*

(a) The Company and each Guarantor (to the extent that such Guarantor is so required under the TIA) will deliver to the Trustee, within 90 days after the end of each fiscal year, an Officers' Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Company has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of, premium on, if any, or interest or Special Interest, if any, on, the Notes is prohibited or if such event has occurred, a description of the event and what action the Company is taking or proposes to take with respect thereto.

(b) So long as not contrary to the then current recommendations of the American Institute of Certified Public Accountants, the year-end financial statements delivered pursuant to Section 4.03 above will be accompanied by a written statement of the Company's independent public accountants (who will be a firm of established national reputation) that in making the examination necessary for certification of such financial statements, nothing has come to their attention that would lead them to believe that the Company has violated any provisions of Article 4 or Article 5 hereof or, if any such violation has occurred, specifying the nature and period of existence thereof, it being understood that such accountants will not be liable directly or indirectly to any Person for any failure to obtain knowledge of any such violation.

(c) So long as any of the Notes are outstanding, the Company will deliver to the Trustee, forthwith upon any Officer becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

Section 4.05 *Taxes.*

The Company will pay, and will cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.06 *Stay, Extension and Usury Laws.*

The Company and each of the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07 *Restricted Payments.*

- (a) Icahn Enterprises will not, and will not permit any of its Subsidiaries (including any Guarantor) to:
- (1) declare or pay any dividend or make any other distribution on account of Icahn Enterprises' or any of its Subsidiaries' (including any Guarantor's) Equity Interests or to the holders of Icahn Enterprises' or any of its Subsidiaries' (including Icahn Enterprises Holdings') Equity Interests in their capacity as such (other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of Icahn Enterprises or to Icahn Enterprises or a Subsidiary of Icahn Enterprises (including Icahn Enterprises Holdings));
 - (2) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving Icahn Enterprises) any Equity Interests of Icahn Enterprises; or
 - (3) make any payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Indebtedness of Icahn Enterprises or any Guarantor that is contractually subordinated to the Notes or to any Note Guarantee (excluding any intercompany Indebtedness between or among Icahn Enterprises and any of its Subsidiaries (including any Guarantor)), except a payment of interest, Other Liquidated Damages or principal at the Stated Maturity on such subordinated Indebtedness (all such payments and other actions set forth in these clauses (1) through (3) (except as excluded therein) above being collectively referred to as "Restricted Payments"),

unless, at the time of and after giving effect to such Restricted Payment:

- (1) no Default or Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;
- (2) Icahn Enterprises or any Guarantor would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the most recently ended four-quarter period for which financial statements are available, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to Section 4.08(a); and
- (3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by Icahn Enterprises and its Subsidiaries (including any Guarantor) since the date of this Indenture (excluding Restricted Payments permitted by clauses (2), (3), (4), (6), (8), (9) and (10) of Section 4.07(b) is less than the sum, without duplication, of:

(b) So long as no Default or Event of Default has occurred and is continuing or would be caused thereby (except with respect to clauses (4), (6) and (8), which payments will be permitted notwithstanding a Default or an Event of Default), Section 4.07(a) shall not prohibit:

(1) the payment of any dividend or the consummation of any irrevocable redemption or payment within 60 days after the date of declaration of the dividend or giving of the redemption notice or becoming irrevocably obligated to make such payment, as the case may be, if at the date of declaration or notice or becoming irrevocably obligated to make such payment, the dividend or payment would have complied with the provisions of this Indenture;

(2) the making of any Restricted Payment in exchange for, or out of the net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of Icahn Enterprises (including any Guarantor)) of, Equity Interests (other than Disqualified Stock) or from the substantially concurrent contribution of equity capital to Icahn Enterprises (including any contribution of equity capital by or to, or sale of Equity Interests of a successor or substitute entity pursuant to Section 5.01); *provided, however*, that the amount of any such net cash proceeds that are utilized for any such Restricted Payment will be excluded from clause (3)(B) of Section 4.07(a) hereof;

(4) the declaration or payment of any dividend or distribution by a Subsidiary of Icahn Enterprises (including any Guarantor) to the holders of its Equity Interests; *provided*, that if any such dividend or distribution is paid to an Affiliate of the Principal (other than Icahn Enterprises or any of its Subsidiaries (including any Guarantor)), that any such dividend or distribution is paid on a pro rata basis to all holders (including Icahn Enterprises or any of its Subsidiaries (including any Guarantor)) that hold securities whose terms (either contractually or by law) entitle them to the same distribution upon which such dividend or distribution is paid;

(5) the repurchase, redemption or other acquisition or retirement for value of any Equity Interests of Icahn Enterprises held by any member of Icahn Enterprises' (or any of its Subsidiaries' (including any Guarantor's)) management pursuant to any management equity subscription agreement, stock option agreement or similar agreement; *provided* that the aggregate price paid for all such repurchased, redeemed, acquired or retired Equity Interests shall not exceed \$2.0 million (other than with respect to Former Employees);

(9) the purchase, redemption or retirement for value of the Preferred Units on or after March 31, 2010 through the issuance of Common Units to the holders of Preferred Units plus cash in lieu of fractional interests;

(10) the payment of dividends on the Common Units and any distributions with respect to the Variable Rate Notes required by the Variable Rate Notes Indenture; *provided, however*, in each case, the dividends or distributions may not exceed \$1.00 per Common Unit (as adjusted for any Common Unit split, subdivision, consolidation or reclassification) in any four-quarter period plus, in the case of the Variable Rate Notes, the amount of the dividend or distribution that is payable in accordance with the formula set forth in the Variable Rate Notes Indenture in respect of such Common Unit dividend or distribution; and

(11) other Restricted Payments in an aggregate amount not to exceed \$50.0 million since the date of this Indenture.

(c) For purposes of determining compliance with this Section 4.07, in the event that a proposed Restricted Payment meets the criteria of more than one of the categories of Restricted Payments described in clauses (1) through (11) of Section 4.07(b), or is permitted to be made pursuant to Section 4.07(a), Icahn Enterprises shall, in its sole discretion, classify (or later reclassify, in whole or in part, in its sole discretion) such Restricted Payment in any manner that complies with this Section 4.07.

Section 4.08 *Incurrence of Indebtedness and Issuance of Preferred Stock.*

(a) Neither Icahn Enterprises nor any Guarantor will create, incur, issue, assume, guarantee or otherwise become liable, contingently or otherwise, with respect to (collectively, "incur") any Indebtedness (including Acquired Debt), and neither Icahn Enterprises nor any Guarantor will issue any Disqualified Stock; provided, however, that Icahn Enterprises or any Guarantor may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock, if immediately after giving effect to the incurrence of additional Indebtedness (including Acquired Debt) or issuance of Disqualified Stock (including a pro forma application of the net proceeds therefrom), the ratio of the aggregate principal amount of all outstanding Indebtedness (excluding Indebtedness incurred pursuant to clauses (4), (7) and (8) of Section 4.08(b)) of Icahn Enterprises and any Guarantor, determined on a consolidated basis between Icahn Enterprises and any Guarantor but on a non-consolidated basis with the Subsidiaries of Icahn Enterprises (other than any Guarantor) and otherwise in accordance with GAAP, (including an amount of Indebtedness equal to the principal amount of any Guarantees by Icahn Enterprises or any Guarantor of any Indebtedness of a Person (that is not Icahn Enterprises or a Subsidiary) to the extent such Guarantees were not included in computing Icahn Enterprises' or any Guarantor's outstanding Indebtedness) to the Adjusted Controlled Entity Net Worth, would have been less than 1.15 to 1.

(4) the incurrence by Icahn Enterprises or any Guarantor of Hedging Obligations that are incurred in the normal course of business;

(5) the incurrence by Icahn Enterprises or any Guarantor of Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds, so long as such Indebtedness is covered within five Business Days;

(6) the incurrence by Icahn Enterprises or any Guarantor of the Existing Indebtedness;

(7) Indebtedness arising from any agreement entered into by Icahn Enterprises or Icahn Enterprises Holdings providing for indemnification, purchase price adjustment or similar obligations, in each case, incurred or assumed in connection with an asset sale;

(9) the incurrence by Icahn Enterprises or any Guarantor of additional Indebtedness in an aggregate principal amount at any time outstanding, including all Permitted Refinancing Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this clause (9); not to exceed \$10.0 million at any one time outstanding.

Neither Icahn Enterprises nor any Guarantor will incur any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of Icahn Enterprises or any Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the Note Guarantee, as applicable, on substantially identical terms; *provided, however*, that no Indebtedness of Icahn Enterprises or any Guarantor shall be deemed to be contractually subordinated in right of payment to any other Indebtedness of Icahn Enterprises or any Guarantor for purposes of this paragraph solely by virtue of being unsecured or secured to a lesser extent or on a junior Lien basis.

To the extent Icahn Enterprises or any Guarantor incurs any intercompany Indebtedness, (a) if Icahn Enterprises or any Guarantor is the obligor on such Indebtedness, such Indebtedness (other than intercompany Indebtedness of any Guarantor to or from Icahn Enterprises or another Guarantor) must be expressly subordinated to the prior payment in full in cash of all Obligations with respect to the Notes and (b)(i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than Icahn Enterprises or a Subsidiary of Icahn Enterprises (including any Guarantor) and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either Icahn Enterprises or a Subsidiary of Icahn Enterprises (including any Guarantor) shall be deemed, in each case, to constitute an incurrence of such Indebtedness by Icahn Enterprises or any Guarantor, that is not intercompany Indebtedness; *provided* that in the case of clause (a), that no restriction on the payment of principal, interest or other obligations in connection with such intercompany Indebtedness shall be required by such subordinated terms except during the occurrence and continuation of a Default or Event of Default.

For purposes of determining compliance with Section 4.08, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (9) above or is entitled to be incurred pursuant to Section 4.08(a), in each case, as of the date of incurrence thereof, Icahn Enterprises shall, in its sole discretion, classify (or later reclassify in whole or in part, in its sole discretion) such item of Indebtedness in any manner that complies with this Section 4.08 and such Indebtedness will be treated as having been incurred pursuant to such clauses or Section 4.08(a), as the case may be, designated by Icahn Enterprises.

Notwithstanding any other provision of this Section 4.08, the maximum amount of Indebtedness that Icahn Enterprises or any Guarantor may incur pursuant to this Section 4.08 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

The amount of any Indebtedness outstanding as of any date will be:

- (1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;
- (2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and
- (3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:

(A) is caused by a failure to pay when due at final maturity (giving effect to any grace period or waiver related thereto) the principal of such Indebtedness (a "*Payment Default*"); or

(B) results in the acceleration of such Indebtedness prior to its express maturity, and, in each case, the principal amount of any such Indebtedness as to which Icahn Enterprises or any Guarantor is obligated to pay, together with the principal amount of any other such Indebtedness under which a Payment Default then exists or with respect to which the maturity thereof has been so accelerated or which has not been paid at maturity as to which Icahn Enterprises or any Guarantor is obligated to pay, aggregates \$10.0 million or more;

(7) failure by the Company or any Guarantor to pay final judgments aggregating in excess of \$10.0 million, which final judgments remain unpaid, undischarged or unstayed for a period of more than 60 days after such judgment becomes a final judgment;

(8) except as permitted by this Indenture, any Note Guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect, or Icahn Enterprises Holdings or any other Guarantor, or any Person acting on behalf of any Guarantor, denies or disaffirms its obligations under its Note Guarantee;

(9) the Company or any Subsidiary of the Company that is a Significant Subsidiary or any group of Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary pursuant to or within the meaning of Bankruptcy Law:

(A) commences a voluntary case,

(B) consents to the entry of an order for relief against it in an involuntary case,

(C) consents to the appointment of a custodian of it or for all or substantially all of its property,

(D) makes a general assignment for the benefit of its creditors, or

(E) generally is not paying its debts as they become due; or

(10) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company or any Subsidiary of the Company that is a Significant Subsidiary or any group of Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary in an involuntary case;

(B) appoints a custodian of the Company or any of its Subsidiaries that is a Significant Subsidiary or any group of Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary or for all or substantially all of the property of the Company or any of its Subsidiaries that is a Significant Subsidiary or any group of Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary; or

(C) orders the liquidation of the Company or any of its Subsidiaries that is a Significant Subsidiary or any group of Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary;

(D) and the order or decree remains unstayed and in effect for 60 consecutive days.

Section 6.02 *Acceleration.*

In the case of an Event of Default specified in clause (9) or (10) of Section 6.01 hereof, with respect to the Company or any Guarantor that is a Significant Subsidiary or any group of Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes of any particular series may declare all the Notes of that series to be due and payable immediately.

Upon any such declaration, the Notes of that particular series shall become due and payable immediately.

The Holders of a majority in aggregate principal amount of the then outstanding Notes of any particular series by written notice to the Trustee may, on behalf of all of the Holders of such series of Notes, rescind an acceleration and its consequences, if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, premium, if any, interest or Special Interest, if any, on the Notes of such series that has become due solely because of the acceleration) have been cured or waived.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing with respect to a particular series of Notes, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and, interest and Special Interest, if any, on, the Notes of such series or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes of such series or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

Holders of not less than a majority in aggregate principal amount of the then outstanding Notes of a particular series by notice to the Trustee may, on behalf of the Holders of all such Notes of such series waive an existing Default or Event of Default and its consequences hereunder with respect to that series of Notes, except a continuing Default or Event of Default in the payment of the principal of, premium, if any, or interest or Special Interest, if any, on the Notes of the applicable series (including in connection with an offer to purchase); *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes of the applicable series may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom with respect to that series of Notes shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of a majority in aggregate principal amount of the then outstanding Notes of a particular series may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it with respect to that series of Notes. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits.*

A Holder may pursue a remedy with respect to this Indenture or a series of Notes only if:

- (1) such Holder gives to the Trustee written notice that an Event of Default is continuing with respect to such series;
- (2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes of the applicable series make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders offer and, if requested, provide to the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and
- (5) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes of the applicable series do not give the Trustee a direction inconsistent with such request.

A Holder of a series of a Note may not use this Indenture to prejudice the rights of another Holder of such series of a Note or to obtain a preference or priority over another Holder of such series of a Note.

Section 6.07 *Rights of Holders of Notes to Receive Payment.*

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal, premium, if any, and interest and Special Interest, if any, on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium, if any, and interest and Special Interest, if any, remaining unpaid on, the Notes of the applicable series and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including without limitation the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including without limitation any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.07 hereof, including without limitation payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest and Special Interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest and Special Interest, if any, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes of the applicable series.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has actual knowledge or of which written notice shall have been given to the Trustee in accordance with the terms of this Indenture, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default of which a Responsible Officer of the Trustee has actual knowledge or of which written notice shall have been given to the Trustee in accordance with the terms of this Indenture:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform on their face to the requirements of this Indenture, but shall not verify the contents thereof.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not and shall not be construed to limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(4) the Trustee shall not be required to examine any of the reports, information or documents delivered to it under this Indenture to determine whether there has been any breach of the covenants of the Company contained herein, except that if any breach or default is expressly stated in any such reports, information or documents, the Trustee shall be deemed to have actual knowledge of such breach or default.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in any such document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its choice and the written advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any attorney or agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company or any Guarantor will be sufficient if signed by an Officer of the Company or any Guarantor, as applicable.

(f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and, subject to TIA §310(b), may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights and duties.

Section 7.04 *Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Notes or the Note Guarantee, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing with respect to a particular series of which a Responsible Officer of the Trustee has actual knowledge, the Trustee will mail to Holders of Notes of such series a notice of the Default or Event of Default within 90 days after such Responsible Officer has actual knowledge of such Default or Event of Default. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, or interest or Special Interest, if any, on, any Note of a particular series, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes of such series.

Section 7.06 *Reports by Trustee to Holders of the Notes.*

(a) Within 60 days after each May 15 beginning with the May 15 following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee will deliver to the Holders of the Notes a brief report dated as of such reporting date that complies with TIA §313(a) (but if no event described in TIA §313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also will comply with TIA §313(b)(2). The Trustee will also transmit by mail all reports as required by TIA §313(c).

(b) A copy of each report at the time of its mailing to the Holders of Notes will be mailed by the Trustee to the Company and filed by the Trustee with the SEC and each stock exchange on which the Notes are listed in accordance with TIA §313(d). The Company will promptly notify the Trustee when the Notes are listed on any stock exchange.

Section 7.07 *Compensation and Indemnity.*

(a) The Company and each of the Guarantors will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include without limitation the reasonable compensation, disbursements, costs and expenses of the Trustee's agents, consultants and counsel (including without limitation the costs and expenses of collection on the Notes and the Note Guarantees and the enforcement and administration of any right or remedy or observing any of its duties under this Indenture).

(b) The Company and the Guarantors, jointly and severally, will indemnify the Trustee and hold the Trustee harmless against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Company, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except any such loss, liability or expense attributable to its negligence or bad faith. The Trustee will notify the Company and the Guarantors promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company and the Guarantors will not relieve the Company or any of the Guarantors of their obligations hereunder. The Company or such Guarantors will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Company will pay the reasonable fees and expenses of such counsel. Neither the Company nor any Guarantors need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Company and the Guarantors under this Section 7.07 shall constitute additional Indebtedness hereunder and will survive the satisfaction and discharge of this Indenture, including without limitation any termination or rejection hereof under any Bankruptcy Law.

(d) To secure the Company's and the Guarantors' payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(9) or (10) hereof occurs, the expenses and the compensation for the services (including without limitation the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

(f) The Trustee will comply with the provisions of TIA §313(b)(2) to the extent applicable.

Section 7.08 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes of both series may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes of both series may petition any court of competent jurisdiction, at the expense of the Company for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's and Guarantors' obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee.

Section 7.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.10 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

This Indenture will always have a Trustee who satisfies the requirements of TIA §310(a)(1), (2) and (5). The Trustee is subject to TIA §310(b).

Section 7.11 *Preferential Collection of Claims Against Company.*

The Trustee is subject to TIA §311(a), excluding any creditor relationship listed in TIA §311(b). A Trustee who has resigned or been removed shall be subject to TIA §311(a) to the extent indicated therein.

ARTICLE 8
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Company may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officers' Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees) with respect to any series of Notes on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees) with respect to any series of Notes, which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes with respect to any series of Notes to receive payments in respect of the principal of, premium, interest and Special Interest, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04 hereof;
- (2) the Company's obligations with respect to such Notes under Article 2 and Section 4.02 hereof;
- (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Company's and the Guarantors' obligations in connection therewith; and
- (4) this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.07, 4.08, 4.09, 4.10, 4.12, 4.13, 4.14, 4.15, 4.16 and 4.17 hereof, Section 5.01(a)(4) and Section 5.01(b)(4) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes of that particular series will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, *Covenant Defeasance* means that, with respect to the outstanding Notes and Note Guarantees with respect to a particular series of Notes, the Company and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) through 6.01(6) hereof will not constitute Events of Default with respect to such series of Notes.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof with respect to a particular series of Notes:

- (1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm, or firm of independent public accountants, to pay the principal of, premium on, if any, and interest and Special Interest, if any, on, the outstanding Notes with respect to the applicable series on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;
- (2) in the case of an election under Section 8.02 hereof, the Company must deliver to the Trustee an Opinion of Counsel confirming that:
 - (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling; or
 - (B) since the date of this Indenture, there has been a change in the applicable federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

- (3) in the case of an election under Section 8.03 hereof, the Company must deliver to the Trustee an Opinion of Counsel confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;
- (4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(6) the Company must deliver to the Trustee an Opinion of Counsel, containing customary assumptions and exceptions, to the effect that upon and immediately following the deposit, the trust funds will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally under any applicable law;

(7) the Company must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of Notes over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or others; and

(8) the Company must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest and Special Interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to Company.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium on, if any, or interest or Special Interest, if any, on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest or Special Interest, if any, has become due and payable shall be paid to the Company on its request or (if then held by the Company) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium on, if any, or interest or Special Interest, if any, on, any Note following the reinstatement of its obligations, the Company will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 of this Indenture, the Company, the Guarantors and the Trustee may amend or supplement this Indenture, or the Notes or the Note Guarantees without the consent of any Holder of Notes:

- (1) to cure any ambiguity, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to provide for the assumption of the Company's or a Guarantor's obligations to the Holders of the Notes and Note Guarantees by a successor to the Company or such Guarantor pursuant to Article 5 or Article 10 hereof;
- (4) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder;
- (5) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA;

(6) to conform the text of this Indenture, the Note Guarantees or the Notes to any provision of the “Description of Notes” section of the Company’s Offering Memorandum, relating to the initial offering of the Notes, to the extent that such provision in that “Description of Notes” was intended to be a verbatim recitation of a provision of this Indenture, the Note Guarantees or the Notes, which intent may be evidenced by an Officers’ Certificate to that effect;

(7) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the date hereof;
or

(8) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders of Notes.*

Except as provided below in this Section 9.02, the Company and the Trustee may amend or supplement this Indenture with respect to any particular series of Notes (including, without limitation, Section 4.12 hereof) and the Notes and the Note Guarantees with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) of that particular series voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, or interest or Special Interest, if any, on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) of that particular series voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.08 hereof shall determine which Notes are considered to be “outstanding” for purposes of this Section 9.02.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

It is not necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes of any particular series then outstanding voting as a single class may waive compliance in a particular instance by the Company with any provision of this Indenture or the Notes or the Note Guarantees with respect to such series of Notes. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any Note or provide that any Note is redeemable at an earlier date or for a price less than provided in this Indenture;
- (3) reduce the rate of or change the time for payment of interest on any Note;
- (4) waive a Default or Event of Default in the payment of principal of, premium or, interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);
- (5) make any Note payable in money other than that stated in the Notes;
- (6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, premium on, if any, or interest or Special Interest, if any, on, the Notes;
- (7) release Icahn Enterprises Holdings or any other Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture; or
- (8) make any change in the preceding amendment and waiver provisions.

Section 9.03 *Compliance with Trust Indenture Act.*

Every amendment or supplement to this Indenture or the Notes will be set forth in a amended or supplemental indenture that complies with the TIA as then in effect.

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amended or supplemental indenture until the Board of Directors of Icahn Enterprises approves it. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 12.04 hereof, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

It shall not be necessary for the consent of Holders under Section 9.01 or 9.02 to approve a particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

ARTICLE 10.
NOTE GUARANTEES

Section 10.01. *Guarantee.*

(a) Subject to this Article 10, each Guarantor, jointly and severally, hereby unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that:

(1) the principal of, premium on, if any, and interest and Special Interest, if any, on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium on, if any, and interest and Special Interest, if any, on the Notes, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantor will pay the same immediately. The Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantor hereby agrees that its obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company or any other Guarantor, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. The Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenant that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, a Guarantor or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or a Guarantor, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) The Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. The Guarantor further agrees that, as between any Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantor for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders or Trustee under the Note Guarantee.

Section 10.02. Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and each Guarantor hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 10.03. Execution and Delivery of Note Guarantee.

To evidence its Note Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that a notation of such Note Guarantee substantially in the form attached as Exhibit E hereto will be endorsed by an Officer of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture will be executed on behalf of such Guarantor by one of its Officers.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 10.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

If an Officer whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

Section 10.04. Guarantors May Consolidate, etc., on Certain Terms.

(a) Except as otherwise provided in Section 10.05 hereof and subject to 10.04(b), no Guarantor may sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than the Company or another Guarantor, unless:

(1) immediately after giving effect to such transaction, no Default or Event of Default exists; and

(2) subject to Section 10.05 hereof, the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger unconditionally assumes all the obligations of that Guarantor under this Indenture, its Note Guarantee, and the Registration Rights Agreement on the terms set forth herein or therein, pursuant to a supplemental indenture in form and substance reasonably satisfactory to the Trustee.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Note Guarantee endorsed upon the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee. All the Note Guarantees so issued will in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles 4 and 5 hereof, and notwithstanding clause 2 above, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor.

(b) Notwithstanding the foregoing, any merger or consolidation of Icahn Enterprises Holdings (or an Affiliate referred to in clause (1) of the second paragraph of Section 5.01(b) or any Person that is the successor of Icahn Enterprises Holdings or any such successor *ad infinitum*) or any sale of all or substantially all of Icahn Enterprises Holdings' assets (or of an Affiliate referred to in clause (1) of the second paragraph of Section 5.01(b) or any Person that is the successor of Icahn Enterprises Holdings or any such successor *ad infinitum*) shall be governed by Section 5.01(b) hereof and Section 10.04(a) shall not apply to any such transaction.

Section 10.05. Releases.

(a) In the event of any sale or other disposition of all or substantially all of the assets of any Guarantor, by way of merger, consolidation or otherwise, or a sale or other disposition of all of the Capital Stock of any Guarantor, in each case to a Person that is not (either before or after giving effect to such transactions) the Company or another Guarantor, then such Guarantor (in the event of a sale or other disposition, by way of merger, consolidation or otherwise, of all of the Capital Stock of such Guarantor) or the entity acquiring the property (in the event of a sale or other disposition of all or substantially all of the assets of such Guarantor) will be released and relieved of any obligations under the Note Guarantee; Upon delivery by the Company to the Trustee of an Officers' Certificate and an Opinion of Counsel to the effect that such sale or other disposition was made by the Company in accordance with the provisions of this Indenture the Trustee will execute any documents reasonably required in order to evidence the release of any Guarantor from its obligations under its Note Guarantee.

(b) Upon Legal Defeasance in accordance with Article 8 hereof or satisfaction and discharge of this Indenture in accordance with Article 11 hereof, each Guarantor will be released and relieved of any obligations under its Note Guarantee.

Each Guarantor not released from its obligations under its Note Guarantee as provided in this Section 10.05 will remain liable for the full amount of principal of, premium on, if any, and interest and Special Interest, if any, on, the Notes and for the other obligations of the Company and any Guarantor under this Indenture as provided in this Article 10.

ARTICLE 11
SATISFACTION AND DISCHARGE

Section 11.01 Satisfaction and Discharge.

This Indenture will be discharged with respect to any series of Notes and will cease to be of further effect as to all Notes and Note Guarantees of such series issued hereunder, when:

- (1) either:
- (a) all Notes of such series that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to Icahn Enterprises, have been delivered to the Trustee for cancellation; or
 - (b) all Notes of such series that have not been delivered to the Trustee for cancellation (1) have become due and payable by reason of the sending of a notice of redemption or otherwise, (2) will become due and payable within one year or (3) are to be called for redemption within 12 months under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the reasonable expense of the Company, and the Company or any Guarantor have irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes of such series not delivered to the Trustee for cancellation for principal and premium, if any, and accrued but unpaid interest to the date of maturity or redemption;

(2) no Default or Event of Default has occurred and is continuing on the date of the deposit or will occur as a result of the deposit and the deposit will not result in a breach or violation of, or constitute a default under, any other material instrument to which the Company is a party or by which the Company is bound;

(3) the Company has paid or caused to be paid all sums payable by it under this Indenture with respect to such series; and

(4) the Company or any Guarantor have delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes with respect to such series at maturity or the redemption date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section 11.01, the provisions of Sections 11.02 and 8.06 hereof will survive. In addition, nothing in this Section 11.01 will be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 11.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest and Special Interest, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; *provided* that if the Company has made any payment of principal of, premium on, if any, or interest or Special Interest, if any, on, any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *Interest.* Icahn Enterprises L.P., a Delaware limited partnership (“*Icahn Enterprises*”) and Icahn Enterprises Finance Corp., a Delaware corporation (“*Icahn Enterprises Finance*”, together with Icahn Enterprises, the “*Company*”), promises to pay interest on the principal amount of this 2016 Note at 7 3/4% per annum from _____, 20__ until maturity and shall pay the Special Interest, if any, payable pursuant to the Registration Rights Agreement referred to below. The Company will pay interest and Special Interest, if any, semi-annually in arrears on January 15 and July 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the 2016 Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this 2016 Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be _____, 20__. If Icahn Enterprises or its Subsidiaries fail to close either the ARI Acquisition or the Viskase Acquisition on or prior to January 31, 2010, then the 2016 Notes will bear interest at a rate that is 1% per annum higher than the then applicable interest rate on the 2016 Notes from and after February 1, 2010 to and including the date that both the ARI Acquisition and the Viskase Acquisition have been closed. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Special Interest, if any, (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

(2) *Method of Payment.* The Company will pay or cause to pay interest on the 2016 Notes (except defaulted interest) and Special Interest, if any, to the Persons who are registered Holders of 2016 Notes at the close of business on the January 1 or July 1 next preceding the Interest Payment Date, even if such 2016 Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The 2016 Notes will be payable as to principal, premium, if any, and interest and Special Interest, if any, at the office or agency of the Company maintained for such purpose within or without the City and State of New York, or, at the option of the Company, payment of interest and Special Interest, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of, premium on, if any, and interest and Special Interest, if any, on, all Global Notes and all other Notes the Holders of which hold \$2.0 million in aggregate principal amount of Notes and have provided wire transfer instructions to the Company or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *Paying Agent and Registrar.* Initially, Wilmington Trust Company, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

(4) *Indenture.* The Company issued the 2016 Notes under an Indenture dated as of January 15, 2010 (the “*Indenture*”) among the Company, the Guarantor and the Trustee. The terms of the 2016 Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The 2016 Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this 2016 Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The 2016 Notes are unsecured obligations of the Company.

(5) *Optional Redemption.*

(a) Except as set forth in subparagraph (b) of this Paragraph 5, the Company will not have the option to redeem the 2016 Notes prior to January 15, 2013. On or after January 15, 2013, the Company will have the option to redeem all or a part of the 2016 Notes upon not less than 15 nor more than 60 days’ notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and Special Interest, if any, on the 2016 Notes redeemed to the applicable redemption date, if redeemed during the twelve-month period beginning on January 15 of the years indicated below, subject to the rights of Holders on the relevant record date to receive interest on the relevant interest payment date:

<u>Year</u>	<u>Percentage</u>
2013	103.875%
2014	101.938%
2015 and thereafter	100.000%

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(b) Notwithstanding the provisions of subparagraph (a) of this Paragraph 5, at any time prior to January 15, 2013, the Company may on one or more occasions redeem up to 35% of the aggregate principal amount of 2016 Notes (including Additional 2016 Notes) issued under the Indenture at a redemption price of 107.750% of the principal amount thereof, plus accrued and unpaid interest and Special Interest, if any, to the redemption date, with the net cash proceeds of one or more Equity Offerings; *provided* that: at least 65% of the aggregate principal amount of 2016 Notes issued under the Indenture remains outstanding immediately after the occurrence of such redemption (excluding 2016 Notes held by Icahn Enterprises and its Subsidiaries (including any Guarantor)); and the redemption occurs within 60 days of the date of the closing of such Equity Offering.

(6) *Mandatory Redemption.* Other than in connection with redemption pursuant to Gaming Laws, the Company is not required to make mandatory redemption or sinking fund payments with respect to the 2016 Notes.

(7) *Mandatory Disposition Pursuant to Gaming Laws.*

If any Gaming Authority requires that a Holder or Beneficial Owner of 2016 Notes be licensed, qualified or found suitable under any applicable Gaming Law and such Holder or Beneficial Owner:

- (a) fails to apply for a license, qualification or a finding of suitability within 30 days (or such shorter period as may be required by the applicable Gaming Authority) after being requested to do so by the Gaming Authority; or
- (b) is denied such license or qualification or not found suitable;

Icahn Enterprises shall then have the right, at its option:

(A) to require each such Holder or Beneficial Owner to dispose of its 2016 Notes within 30 days (or such earlier date as may be required by the applicable Gaming Authority) of the occurrence of the event described in clause (a) or (b) above, or

(B) to redeem the 2016 Notes of each such Holder or Beneficial Owner, in accordance with Rule 14e-1 of the Exchange Act, if applicable, at a redemption price equal to the lowest of:

(i) the principal amount thereof, together with accrued and unpaid interest and Special Interest, if any, to the earlier of the date of redemption, the date 30 days after such Holder or Beneficial Owner is required to apply for a license, qualification or finding of suitability (or such shorter period that may be required by any applicable Gaming Authority) if such Holder or Beneficial Owner fails to do so ("Application Date") or of the date of denial of license or qualification or of the finding of unsuitability by such Gaming Authority;

(ii) the price at which such Holder or Beneficial Owner acquired the 2016 Notes, together with accrued and unpaid interest and Special Interest, if any, to the earlier of the date of redemption, the Application Date or the date of the denial of license or qualification or of the finding of unsuitability by such Gaming Authority; and

(iii) such other lesser amount as may be required by any Gaming Authority.

Immediately upon a determination by a Gaming Authority that a Holder or Beneficial Owner of the 2016 Notes will not be licensed, qualified or found suitable and must dispose of the 2016 Notes, the Holder or Beneficial Owner will, to the extent required by applicable Gaming Laws, have no further right:

(a) to exercise, directly or indirectly, through any trustee or nominee or any other person or entity, any right conferred by the 2016 Notes, the Note Guarantee or the Indenture; or

(b) to receive any interest, Special Interest, dividends, economic interests or any other distributions or payments with respect to the 2016 Notes and the Note Guarantee or any remuneration in any form with respect to the 2016 Notes and the Note Guarantee from the Company, any Note Guarantor or the Trustee, except the redemption price referred to above.

Icahn Enterprises shall notify the Trustee in writing of any such redemption as soon as practicable. Any Holder or Beneficial Owner that is required to apply for a license, qualification or a finding of suitability will be responsible for all fees and costs of applying for and obtaining the license, qualification or finding of suitability and of any investigation by the applicable Gaming Authorities and the Company and any Note Guarantor will not reimburse any Holder or Beneficial Owner for such expense.

(8) *Repurchase at the Option of Holder.*

If there is a Change of Control, the Company will be required to make an offer (a “*Change of Control Offer*”) to each Holder to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of each Holder’s 2016 Notes at a purchase price in cash equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest and Special Interest, if any, thereon to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Company will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(9) *Notice of Redemption.* At least 15 days but not more than 60 days before a redemption date, the Company shall send or cause to be sent by electronic transmission, in the case of Notes that are in the form of Global Notes, or by first class mail to each Holder who holds Definitive Notes at such Holder’s registered address, a notice of redemption to each Holder whose Notes are being redeemed, except that redemption notices may be sent more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the 2016 Notes or a satisfaction or discharge of the Indenture pursuant to Articles 8 or 11 thereof. 2016 Notes and portions of 2016 Notes selected will be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the 2016 Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of 2016 Notes held by such Holder shall be redeemed or purchased.

(10) *Denominations, Transfer, Exchange.* The 2016 Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of 2016 Notes may be registered and 2016 Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any 2016 Note or portion of a 2016 Note selected for redemption, except for the unredeemed portion of any 2016 Note being redeemed in part. Also, the Company need not exchange or register the transfer of any 2016 Notes for a period of 15 days before a selection of 2016 Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

(11) *Persons Deemed Owners.* The registered Holder of a 2016 Note may be treated as its owner for all purposes. Only registered Holders have rights as Holders under the Indenture.

(12) *Amendment, Supplement and Waiver.* Subject to certain exceptions, the Indenture or the 2016 Notes or the Note Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding 2016 Notes including Additional 2016 Notes, if any, voting as a single class, and any existing Default or Event of Default or compliance with any provision of the Indenture or the 2016 Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding 2016 Notes including Additional 2016 Notes, if any, voting as a single class. Without the consent of any Holder of a 2016 Note, the Indenture or the 2016 Notes or the Note Guarantees may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated 2016 Notes in addition to or in place of certificated 2016 Notes, to provide for the assumption of the Company's or a Guarantor's obligations to Holders of the 2016 Notes and Note Guarantees by a successor to the Company or such guarantor pursuant to Article 5 or Article 10 of the Indenture, to make any change that would provide any additional rights or benefits to the Holders of the 2016 Notes or that does not adversely affect the legal rights under the Indenture of any such Holder, to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA, to comply with Article 5 of the Indenture, to conform the text of the Indenture or the 2016 Notes to any provision of the "Description of Notes" section of the Offering Memorandum relating to the initial offering of the 2016 Notes, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of the Indenture, the Note Guarantees or the 2016 Notes; to provide for the issuance of Additional 2016 Notes in accordance with the limitations set forth in the Indenture, or to allow any Guarantor to execute a supplemental indenture to the Indenture and/or a Note Guarantee with respect to the 2016 Notes.

(13) *Defaults and Remedies.* Events of Default include: (i) default in payment when due and payable, upon redemption or otherwise, of principal or premium, if any, on the 2016 Notes; (ii) default for 30 days or more in the payment when due of interest or Special Interest on the 2016 Notes; (iii) failure by the Company to call or cause to be called for redemption or to purchase or cause to be called any 2016 Notes, in each case when required under the Indenture; (iv) failure by Icahn Enterprises or any Guarantor for 30 days after written notice from the Trustee to comply with the provisions of Sections 4.07, 4.08, 4.13 or 4.14, (v) failure by the Company or any Guarantor for 60 days after notice from the Trustee or the Holders of at least 25% in aggregate principal amount of the 2016 Notes of any particular series then outstanding to comply with any of their other agreements in this Indenture or the 2016 Notes or the Note Guarantee; (vi) default under certain other agreements relating to Indebtedness of the Company or any Guarantor which default results in the acceleration of such Indebtedness prior to its express maturity; (vii) certain final judgments for the payment of money that remain undischarged for a period of 60 days; (viii) except as permitted by the Indenture, any Note Guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect or Icahn Enterprises Holdings or any other Guarantor or any Person acting on behalf of any Guarantor denies or disaffirms its obligations under such Guarantor's Note Guarantee and (ix) certain events of bankruptcy or insolvency with respect to the Company or any Guarantor that is a Significant Subsidiary. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding 2016 Notes may declare all the 2016 Notes to be due and payable immediately. Holders may not enforce the Indenture or the 2016 Notes except as provided in the Indenture. Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(b) Notwithstanding the provisions of subparagraph (a) of this Paragraph 5, at any time prior to January 15, 2014, the Company may on one or more occasions redeem up to 35% of the aggregate principal amount of 2018 Notes (including Additional 2018 Notes) issued under the Indenture at a redemption price of 108.000% of the principal amount thereof, plus accrued and unpaid interest and Special Interest, if any, to the redemption date, with the net cash proceeds of one or more Equity Offerings; *provided* that: at least 65% of the aggregate principal amount of 2018 Notes issued under the Indenture remains outstanding immediately after the occurrence of such redemption (excluding 2018 Notes held by Icahn Enterprises and its Subsidiaries (including any Guarantor)); and the redemption occurs within 60 days of the date of the closing of such Equity Offering.

(6) *Mandatory Redemption.* Other than in connection with redemption pursuant to Gaming Laws, the Company is not required to make mandatory redemption or sinking fund payments with respect to the 2018 Notes.

(7) *Mandatory Disposition Pursuant to Gaming Laws.*

If any Gaming Authority requires that a Holder or Beneficial Owner of 2018 Notes be licensed, qualified or found suitable under any applicable Gaming Law and such Holder or Beneficial Owner:

- (a) fails to apply for a license, qualification or a finding of suitability within 30 days (or such shorter period as may be required by the applicable Gaming Authority) after being requested to do so by the Gaming Authority; or
- (b) is denied such license or qualification or not found suitable;

Icahn Enterprises shall then have the right, at its option:

(A) to require each such Holder or Beneficial Owner to dispose of its 2018 Notes within 30 days (or such earlier date as may be required by the applicable Gaming Authority) of the occurrence of the event described in clause (a) or (b) above, or

(B) to redeem the 2018 Notes of each such Holder or Beneficial Owner, in accordance with Rule 14e-1 of the Exchange Act, if applicable, at a redemption price equal to the lowest of:

(i) the principal amount thereof, together with accrued and unpaid interest and Special Interest, if any, to the earlier of the date of redemption, the date 30 days after such Holder or Beneficial Owner is required to apply for a license, qualification or finding of suitability (or such shorter period that may be required by any applicable Gaming Authority) if such Holder or Beneficial Owner fails to do so ("Application Date") or of the date of denial of license or qualification or of the finding of unsuitability by such Gaming Authority;

(ii) the price at which such Holder or Beneficial Owner acquired the 2018 Notes, together with accrued and unpaid interest and Special Interest, if any, to the earlier of the date of redemption, the Application Date or the date of the denial of license or qualification or of the finding of unsuitability by such Gaming Authority; and

(iii) such other lesser amount as may be required by any Gaming Authority.

Immediately upon a determination by a Gaming Authority that a Holder or Beneficial Owner of the 2018 Notes will not be licensed, qualified or found suitable and must dispose of the 2018 Notes, the Holder or Beneficial Owner will, to the extent required by applicable Gaming Laws, have no further right:

(a) to exercise, directly or indirectly, through any trustee or nominee or any other person or entity, any right conferred by the 2018 Notes, the Note Guarantee or the Indenture; or

(b) to receive any interest, Special Interest, dividends, economic interests or any other distributions or payments with respect to the 2018 Notes and the Note Guarantee or any remuneration in any form with respect to the 2018 Notes and the Note Guarantee from the Company, any Note Guarantor or the Trustee, except the redemption price referred to above.

Icahn Enterprises shall notify the Trustee in writing of any such redemption as soon as practicable. Any Holder or Beneficial Owner that is required to apply for a license, qualification or a finding of suitability will be responsible for all fees and costs of applying for and obtaining the license, qualification or finding of suitability and of any investigation by the applicable Gaming Authorities and the Company and any Note Guarantor will not reimburse any Holder or Beneficial Owner for such expense.

(8) *Repurchase at the Option of Holder.*

If there is a Change of Control, the Company will be required to make an offer (a “*Change of Control Offer*”) to each Holder to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of each Holder’s 2018 Notes at a purchase price in cash equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest and Special Interest, if any, thereon to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date (the “*Change of Control Payment*”). Within 30 days following any Change of Control, the Company will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(9) *Notice of Redemption.* At least 15 days but not more than 60 days before a redemption date, the Company shall send or cause to be sent by electronic transmission, in the case of Notes that are in the form of Global Notes, or by first class mail to each Holder who holds Definitive Notes at such Holder’s registered address, a notice of redemption to each Holder whose Notes are being redeemed, except that redemption notices may be sent more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the 2018 Notes or a satisfaction or discharge of the Indenture pursuant to Articles 8 or 11 thereof. 2018 Notes and portions of 2018 Notes selected will be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the 2018 Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of 2018 Notes held by such Holder shall be redeemed or purchased.

(10) *Denominations, Transfer, Exchange.* The 2018 Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of 2018 Notes may be registered and 2018 Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any 2018 Note or portion of a 2018 Note selected for redemption, except for the unredeemed portion of any 2018 Note being redeemed in part. Also, the Company need not exchange or register the transfer of any 2018 Notes for a period of 15 days before a selection of 2018 Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

(11) *Persons Deemed Owners.* The registered Holder of a 2018 Note may be treated as its owner for all purposes. Only registered Holders have rights as Holders under the Indenture.

(12) *Amendment, Supplement and Waiver.* Subject to certain exceptions, the Indenture or the 2018 Notes or the Note Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding 2018 Notes including Additional 2018 Notes, if any, voting as a single class, and any existing Default or Event of Default or compliance with any provision of the Indenture or the 2018 Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding 2018 Notes including Additional 2018 Notes, if any, voting as a single class. Without the consent of any Holder of a 2018 Note, the Indenture or the 2018 Notes or the Note Guarantees may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated 2018 Notes in addition to or in place of certificated 2018 Notes, to provide for the assumption of the Company's or a Guarantor's obligations to Holders of the 2018 Notes and Note Guarantees by a successor to the Company or such Guarantor pursuant to Article 5 or Article 10 of the Indenture, to make any change that would provide any additional rights or benefits to the Holders of the 2018 Notes or that does not adversely affect the legal rights under the Indenture of any such Holder, to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA, to comply with Article 5 of the Indenture, to conform the text of the Indenture or the 2018 Notes to any provision of the "Description of Notes" section of the Offering Memorandum relating to the initial offering of the 2018 Notes, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of the Indenture, the Note Guarantees or the 2018 Notes; to provide for the issuance of Additional 2018 Notes in accordance with the limitations set forth in the Indenture, or to allow any Guarantor to execute a supplemental indenture to the Indenture and/or a Note Guarantee with respect to the 2018 Notes.

(13) *Defaults and Remedies.* Events of Default include: (i) default in payment when due and payable, upon redemption or otherwise, of principal or premium, if any, on the 2018 Notes; (ii) default for 30 days or more in the payment when due of interest or Special Interest on the 2018 Notes; (iii) failure by the Company to call or cause to be called for redemption or to purchase or cause to be called any 2018 Notes, in each case when required under the Indenture; (iv) failure by Icahn Enterprises or any Guarantor for 30 days after written notice from the Trustee to comply with the provisions of Sections 4.07, 4.08, 4.13 or 4.14, (v) failure by the Company or any Guarantor for 60 days after notice from the Trustee or the Holders of at least 25% in aggregate principal amount of the 2018 Notes of any particular series then outstanding to comply with any of their other agreements in this Indenture or the 2018 Notes or the Note Guarantee; (vi) default under certain other agreements relating to Indebtedness of the Company or any Guarantor which default results in the acceleration of such Indebtedness prior to its express maturity; (vii) certain final judgments for the payment of money that remain undischarged for a period of 60 days; (viii) except as permitted by the Indenture, any Note Guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect or Icahn Enterprises Holdings or any other Guarantor or any Person acting on behalf of any Guarantor denies or disaffirms its obligations under such Guarantor's Note Guarantee and (ix) certain events of bankruptcy or insolvency with respect to the Company or any Guarantor that is a Significant Subsidiary. Furthermore, the Grantor hereby authorizes the Secured Party to file such financing or continuation statements, or amendments thereto, and such other instruments, endorsements or notices, as the Secured Party may reasonably deem necessary or advisable in order to perfect and preserve the assignment and security interest granted or purported to be granted hereby.

SECTION 2. HOLDERS

A Person is deemed to be a holder of Transfer Restricted Securities (each, a "**Holder**") whenever such Person owns Transfer Restricted Securities.

SECTION 3. REGISTERED EXCHANGE OFFER

(a) Unless the Exchange Offer shall not be permitted by applicable law or Commission rule, regulation or policy (after the procedures set forth in Section 6(a)(i) below have been complied with), the Company shall (i) cause the Exchange Offer Registration Statement to be filed with the Commission no later than May 15, 2010 (the "**Filing Deadline**"), (ii) use all commercially reasonable efforts to cause such Exchange Offer Registration Statement to become effective no later than August 13, 2010 (the "**Effectiveness Deadline**"), (iii) in connection with the foregoing, (A) file all pre-effective amendments to such Exchange Offer Registration Statement as may be necessary in order to cause it to become effective, (B) file, if applicable, a post-effective amendment to such Exchange Offer Registration Statement pursuant to Rule 430A under the Act and (C) cause all necessary filings, if any, in connection with the registration and qualification of the Exchange Securities to be made under the Blue Sky laws of such jurisdictions as are necessary to permit Consummation of the Exchange Offer, and (iv) upon the effectiveness of such Exchange Offer Registration Statement, commence and consummate the Exchange Offer. The Exchange Offer shall be on the appropriate form permitting (i) registration of the Exchange Securities to be offered in exchange for the Offered Securities that are Transfer Restricted Securities and (ii) resales of Exchange Securities by Broker-Dealers that tendered into the Exchange Offer Offered Securities that such Broker-Dealer acquired for its own account as a result of market-making activities or other trading activities (other than Offered Securities acquired directly from the Company or any of its Affiliates) as contemplated by Section 3(c) below.

(b) The Company shall use all commercially reasonable efforts to cause the Exchange Offer Registration Statement to be effective continuously, and shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable federal and state securities laws to consummate the Exchange Offer; *provided, however*, that in no event shall such period be less than 20 Business Days. The Company shall cause the Exchange Offer to comply in all material respects with all applicable federal and state securities laws. No securities other than the Exchange Securities shall be included in the Exchange Offer Registration Statement. The Company shall use all commercially reasonable efforts to cause the Exchange Offer to be consummated on the earliest practicable date after the Exchange Offer Registration Statement has become effective, but in no event later than 30 Business Days thereafter, or longer, if required by federal securities laws (the last day of such period being the “**Consummation Deadline**”).

(c) The Company shall include a “Plan of Distribution” section in the Prospectus contained in the Exchange Offer Registration Statement and indicate therein that any Broker-Dealer who holds Transfer Restricted Securities that were acquired for the account of such Broker-Dealer as a result of market-making activities or other trading activities (other than Offered Securities acquired directly from the Company or any Affiliate of the Company), may exchange such Transfer Restricted Securities pursuant to the Exchange Offer. Such “Plan of Distribution” section shall also contain all other information with respect to such sales by such Broker-Dealers that the Commission may require in order to permit such sales pursuant thereto, but such “Plan of Distribution” shall not name any such Broker-Dealer or disclose the amount of Transfer Restricted Securities held by any such Broker-Dealer, except to the extent required by the Commission as a result of a change in policy, rules or regulations.

Because such Broker-Dealer may be deemed to be an “underwriter” within the meaning of the Act and must, therefore, deliver a prospectus meeting the requirements of the Act in connection with its initial sale of any Exchange Securities received by such Broker-Dealer in the Exchange Offer, the Company shall permit the use of the Prospectus contained in the Exchange Offer Registration Statement by such Broker-Dealer to satisfy such prospectus delivery requirement. To the extent necessary to ensure that the Prospectus contained in the Exchange Offer Registration Statement is available for sales of Exchange Securities by Broker-Dealers, the Company agrees to use all commercially reasonable efforts to keep the Exchange Offer Registration Statement continuously effective, supplemented, amended and current as required by and subject to the provisions of Sections 6(a) and (c) hereof and in conformity with the requirements of this Agreement, the Act and the policies, rules and regulations of the Commission as announced from time to time, for a period of 270 days from the Consummation Deadline or such shorter period as will terminate when all Transfer Restricted Securities covered by such Registration Statement have been sold pursuant thereto. The Company shall provide sufficient copies of the latest version of such Prospectus to such Broker-Dealers, promptly upon request, and in no event later than two Business Days after such request, at any time during such period.

SECTION 4. SHELF REGISTRATION

(a) Shelf Registration. If (i) the Company is not (A) required to file the Exchange Offer Registration Statement or (B) permitted to consummate the Exchange Offer because the Exchange Offer is not permitted by applicable law or Commission regulations, rules or policy (after the Company has complied with the procedures set forth in Section 6(a)(i) below) or (ii) any Holder of Transfer Restricted Securities notifies the Company prior to 20 Business Days following consummation of the Exchange Offer that (A) such Holder was prohibited by law or Commission policy from participating in the Exchange Offer, (B) such Holder may not resell the Exchange Securities acquired by it in the Exchange Offer to the public without delivering a prospectus and the prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales by such Holder or (C) such Holder is a Broker-Dealer and holds Offered Securities acquired directly from the Company or any of its Affiliates, then the Company shall:

(x) use all commercially reasonable efforts on or prior to 30 days after the earlier of (i) the date as of which the Company determines that the Exchange Offer Registration Statement will not be or cannot be, as the case may be, filed as a result of clause (a)(i) above (after the Company has complied with the procedures set forth in Section 6(a)(i) below), and (ii) the date on which the Company receives the notice specified in clause (a)(ii) above (such earlier date, the "**Filing Deadline**"), to file a shelf registration statement pursuant to Rule 415 under the Act (which may be an amendment to the Exchange Offer Registration Statement (the "**Shelf Registration Statement**")), relating to all Transfer Restricted Securities, and

(y) shall use all commercially reasonable efforts to cause such Shelf Registration Statement to become effective on or prior to 90 days after the Filing Deadline such obligation arises (such 90th day being the "**Effectiveness Deadline**").

If, after the Company has filed an Exchange Offer Registration Statement that satisfies the requirements of Section 3(a) above, the Company is required to file and make effective a Shelf Registration Statement solely because the Exchange Offer is not permitted under applicable law or Commission regulations, rules or policy (i.e., clause (a)(i)(B) above), then the filing of the Exchange Offer Registration Statement shall be deemed to satisfy the requirements of clause (x) above; *provided* that, in such event, the Company shall remain obligated to meet the Effectiveness Deadline set forth in clause (y).

To the extent necessary to ensure that the Shelf Registration Statement is available for sales of Transfer Restricted Securities by the Holders thereof entitled to the benefit of this Section 4(a) and the other securities required to be registered therein pursuant to Section 6(b)(ii) hereof, the Company shall use all commercially reasonable efforts to keep any Shelf Registration Statement required by this Section 4(a) continuously effective, supplemented, amended and current as required by and subject to the provisions of Sections 6(b) and (c) hereof and in conformity with the requirements of this Agreement, the Act and the policies, rules and regulations of the Commission as announced from time to time, until the expiration of the period referred to in Rule 144 (as extended pursuant to Section 6(d)), or such shorter period as will terminate when all Transfer Restricted Securities covered by such Shelf Registration Statement have been sold pursuant thereto.

(b) Provision by Holders of Certain Information in Connection with the Shelf Registration Statement. No Holder of Transfer Restricted Securities may include any of its Transfer Restricted Securities in any Shelf Registration Statement pursuant to this Agreement unless and until such Holder furnishes to the Company in writing, within 20 Business Days after receipt of a request therefor, (x) the information specified in Item 507 or 508 of Regulation S-K, as applicable, of the Act for use in connection with any Shelf Registration Statement or Prospectus or preliminary prospectus included therein, (y) an agreement to update such information, from time to time, as required or appropriate, and (z) an agreement to comply with the prospectus delivery requirements in connection with the offer and sale of Transfer Restricted Securities. No Holder of Transfer Restricted Securities shall be entitled to Special Interest pursuant to Section 5 hereof unless and until such Holder shall have provided all such information and agreements. Each selling Holder agrees to promptly furnish additional information required to be disclosed in order to make the information previously furnished to the Company by such Holder not materially misleading.

SECTION 5. SPECIAL INTEREST

If (i) any Registration Statement required by this Agreement is not filed with the Commission on or prior to the applicable Filing Deadline, (ii) any such Registration Statement has not been declared effective by the Commission on or prior to the applicable Effectiveness Deadline, (iii) the Exchange Offer has not been Consummated within 30 Business Days of the applicable Effectiveness Deadline or (iv) any Registration Statement required by this Agreement is filed and declared effective but shall thereafter cease to be effective or usable in connection with resales of Transfer Restricted Securities during the periods specified herein (each such event referred to in clauses (i) through (iv), a “**Registration Default**”), then the Company hereby jointly and severally agrees to pay to each Holder of Transfer Restricted Securities affected thereby Special Interest in an amount equal to \$.05 per week per \$1,000 in principal amount of Transfer Restricted Securities held by such Holder for each week or portion thereof that the Registration Default continues for the first 90-day period immediately following the occurrence of such Registration Default. The amount of the Special Interest shall increase by an additional \$.05 per week per \$1,000 in principal amount of Transfer Restricted Securities with respect to each subsequent 90-day period until all Registration Defaults have been cured, up to a maximum amount of Special Interest for all Registration Defaults of \$.50 per week per \$1,000 in principal amount of Transfer Restricted Securities; *provided* that the Company shall in no event be required to pay Special Interest for more than one Registration Default at any given time. Notwithstanding anything to the contrary set forth herein, (1) upon filing of the Exchange Offer Registration Statement (and/or, if applicable, the Shelf Registration Statement), in the case of (i) above, (2) upon the effectiveness of the Exchange Offer Registration Statement (and/or, if applicable, the Shelf Registration Statement), in the case of (ii) above, (3) upon Consummation of the Exchange Offer, in the case of (iii) above, or (4) upon the filing of a post-effective amendment to the Registration Statement or an additional Registration Statement (or a supplement to the prospectus included in any such Registration Statement, if applicable,) that causes the Exchange Offer Registration Statement (and/or, if applicable, the Shelf Registration Statement) to again be declared effective or made usable, in the case of (iv) above, the Special Interest payable with respect to the Transfer Restricted Securities as a result of such clause (i), (ii), (iii) or (iv), as applicable, shall cease.

All accrued Special Interest shall be paid to the Holders entitled thereto, in the manner provided for the payment of interest in the Indenture, on each Interest Payment Date, as more fully set forth in the Indenture and the Initial Notes. Notwithstanding the fact that any securities for which Special Interest are due cease to be Transfer Restricted Securities, all obligations of the Company to pay Special Interest with respect to securities shall survive until such time as such obligations with respect to such securities shall have been satisfied in full.

SECTION 6. REGISTRATION PROCEDURES

(a) Exchange Offer Registration Statement. In connection with the Exchange Offer, the Company shall (x) comply with all applicable provisions of Section 6(c) below, (y) use all commercially reasonable efforts to effect such exchange and to permit the resale of Exchange Securities by Broker-Dealers that tendered in the Exchange Offer any Offered Securities that such Broker-Dealer acquired for its own account as a result of its market-making activities or other trading activities (other than Offered Securities acquired directly from the Company or any of its Affiliates) being sold in accordance with the intended method or methods of distribution thereof, and (z) comply with all of the following provisions:

(i) If, following the date hereof there has been announced a change in Commission policy with respect to exchange offers such as the Exchange Offer, that in the reasonable opinion of counsel to the Company raises a substantial question as to whether the Exchange Offer is permitted by applicable federal law, the Company hereby agrees to seek a no-action letter or other favorable decision from the Commission or the staff of the Commission allowing the Company to consummate an Exchange Offer for such Transfer Restricted Securities. The Company hereby agrees to pursue the issuance of such a no-action letter or decision to the Commission staff level. In connection with the foregoing, the Company hereby agrees to take all such other actions as may be requested by the Commission or otherwise required by the Commission in connection with the issuance of such decision, including without limitation (A) participating in telephonic conferences with the Commission, (B) delivering to the Commission staff an analysis prepared by counsel to the Company setting forth the legal bases, if any, upon which such counsel has concluded that such an Exchange Offer should be permitted and (C) diligently pursuing a resolution (which need not be favorable) by the Commission staff; *provided* that this Section 6(a)(i) shall not restrict or limit the Company from complying with the requirements of Section 4, including filing and using commercially reasonable efforts to cause to be made effective a Shelf Registration Statement before obtaining a no-action letter or other decision or resolution from the Commission or the staff of the Commission.

(ii) As a condition to its participation in the Exchange Offer, each Holder of Transfer Restricted Securities (including, without limitation, any Holder who is a Broker-Dealer) shall furnish, upon the request of the Company, prior to the consummation of the Exchange Offer, a written representation to the Company (which may be contained in the Letter of Transmittal or Agent's Message contemplated by the Exchange Offer Registration Statement) to the effect that (A) it is not an Affiliate of the Company, (B) it is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any person to participate in, a distribution of the Exchange Securities to be issued in the Exchange Offer and (C) it is acquiring the Exchange Securities in its ordinary course of business. As a condition to its participation in the Exchange Offer each Holder using the Exchange Offer to participate in a distribution of the Exchange Securities shall acknowledge and agree that, if the resales are of Exchange Securities obtained by such Holder in exchange for Offered Securities acquired directly from the Company or an Affiliate thereof, it (1) could not, under Commission policy as in effect on the date of such acknowledgment and agreement, rely on the position of the Commission enunciated in Morgan Stanley and Co., Inc. (available June 5, 1991) and Exxon Capital Holdings Corporation (available May 13, 1988), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993, and similar no-action letters (including, if applicable, any no-action letter obtained pursuant to clause (i) above), and (2) must comply with the registration and prospectus delivery requirements of the Act in connection with a secondary resale transaction and that such a secondary resale transaction must be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K.

(iii) Prior to effectiveness of the Exchange Offer Registration Statement, the Company shall, upon request of the Commission, provide a supplemental letter to the Commission (A) stating that the Company is registering the Exchange Offer in reliance on the position of the Commission enunciated in Exxon Capital Holdings Corporation (available May 13, 1988), Morgan Stanley and Co., Inc. (available June 5, 1991) as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993, and, if applicable, any no-action letter obtained pursuant to clause (i) above, (B) including a representation that the Company has not entered into any arrangement or understanding with any Person to distribute the Exchange Securities to be received in the Exchange Offer and that, to the best of the Company's information and belief, each Holder participating in the Exchange Offer is acquiring the Exchange Securities in its ordinary course of business and has no arrangement or understanding with any Person to participate in the distribution of the Exchange Securities received in the Exchange Offer and (C) any other undertaking or representation required by the Commission as set forth in any no-action letter obtained pursuant to clause (i) above, if applicable.

(b) Shelf Registration Statement. In connection with the Shelf Registration Statement, the Company shall:

(i) comply with all the provisions of Section 6(c) below and use all commercially reasonable efforts to effect such registration to permit the sale of the Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof (as indicated in the information furnished to the Company pursuant to Section 4(b) hereof), and pursuant thereto the Company will prepare and file with the Commission a Registration Statement relating to the registration on any appropriate form under the Act, which form shall be available for the sale of the Transfer Restricted Securities in accordance with the intended method or methods of distribution thereof within the time periods and otherwise in accordance with the provisions hereof, and

(ii) issue, upon the request of any Holder or purchaser of Offered Securities covered by any Shelf Registration Statement contemplated by this Agreement, Exchange Securities having an aggregate principal amount equal to the aggregate principal amount of Offered Securities sold pursuant to the Shelf Registration Statement and surrendered to the Company for cancellation; the Company shall register Exchange Securities on the Shelf Registration Statement for this purpose and issue the Exchange Securities to the purchaser(s) of securities subject to the Shelf Registration Statement in the names as such purchaser(s) shall designate.

(c) General Provisions. In connection with any Registration Statement and any related Prospectus required by this Agreement, the Company shall:

(i) use all commercially reasonable efforts to keep such Registration Statement continuously effective and provide all requisite financial statements for the period specified in Section 3 or 4 of this Agreement, as applicable. Upon the occurrence of any event that would cause any such Registration Statement or the Prospectus contained therein (A) to contain an untrue statement of material fact or omit to state any material fact necessary to make the statements therein in light of the circumstances under which they were made not misleading or (B) not to be effective and usable for resale of Transfer Restricted Securities during the period required by this Agreement, the Company shall file promptly an appropriate amendment to such Registration Statement or supplement to the Prospectus curing such defect, and, if Commission review is required of any such amendment, use all commercially reasonable efforts to cause such amendment to be declared effective as soon as practicable;

(ii) prepare and file with the Commission such amendments and post-effective amendments to the applicable Registration Statement as may be necessary to keep such Registration Statement effective for the applicable period set forth in Section 3 or 4 hereof, as the case may be; cause the Prospectus to be supplemented by any required Prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 under the Act, and to comply fully with Rules 424 and 430A, as applicable, under the Act in a timely manner; and comply with the provisions of the Act with respect to the disposition of all securities covered by such Registration Statement during the applicable period in accordance with the intended method or methods of distribution by the sellers thereof set forth in such Registration Statement or supplement to the Prospectus;

(iii) advise each Holder promptly and, if requested by such Holder, confirm such advice in writing, (A) when the Prospectus or any Prospectus supplement or post-effective amendment to the Registration Statement has been filed, and, with respect to any applicable Registration Statement or any post-effective amendment thereto, when the same has become effective, (B) of any request by the Commission for amendments to the Registration Statement or amendments or supplements to the Prospectus or for additional information relating thereto, (C) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement under the Act or of the suspension by any state securities commission of the qualification of the Transfer Restricted Securities for offering or sale in any jurisdiction, or the initiation of any proceeding for any of the preceding purposes, and (D) of the existence of any fact or the happening of any event that makes any statement of a material fact made in the Registration Statement, the Prospectus, any amendment or supplement thereto or any document incorporated by reference therein untrue, or that requires the making of any additions to or changes in the Registration Statement in order to make the statements therein not misleading, or that requires the making of any additions to or changes in the Prospectus in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided* that any notice required pursuant to this Section 6(c)(iii) shall be provided by the Company on its behalf and on behalf of the Guarantor. If at any time the Commission shall issue any stop order suspending the effectiveness of the Registration Statement, or any state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption from qualification of the Transfer Restricted Securities under state securities or Blue Sky laws, the Company shall use all commercially reasonable efforts to obtain the withdrawal or lifting of such order at the earliest possible time;

(iv) subject to Section 6(c)(i), if any fact or event contemplated by Section 6(c)(iii)(D) above shall exist or have occurred, prepare a supplement or amendment to the Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of Transfer Restricted Securities, the Prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(v) furnish to each Holder in connection with such exchange or sale, if any, before filing with the Commission, copies of any Registration Statement or any Prospectus included therein or any amendments or supplements to any such Registration Statement or Prospectus (including all documents incorporated by reference after the initial filing of such Registration Statement), which documents, upon such Holders' request, will be subject to the review and comment of such Holders in connection with such sale, if any, for a period of at least five Business Days, and the Company will not file any such Registration Statement or Prospectus or any amendment or supplement to any such Registration Statement or Prospectus (including all such documents incorporated by reference) to which such Holders shall reasonably object within five Business Days after the receipt thereof. A Holder shall be deemed to have reasonably objected to such filing if such Registration Statement, amendment, Prospectus or supplement, as applicable, as proposed to be filed, contains an untrue statement of a material fact or omits any material fact necessary to make the statements therein in light of the circumstances under which they were made not misleading or fails to comply with the applicable requirements of the Act;

(vi) promptly prior to the filing of any document that is to be incorporated by reference into a Registration Statement or Prospectus in connection with such exchange or sale, if any, provide copies of such document to each Holder, make the Company's representatives available for discussion of such document and other customary due diligence matters, and include such information in such document prior to the filing thereof as such Holders may reasonably request;

(vii) make available, at reasonable times, for inspection by each Holder and any attorney or accountant retained by such Holders at the offices at which such information normally is kept during normal business hours, all financial and other records, pertinent corporate documents of the Company and cause the Company's officers, directors and employees to supply all information reasonably requested by any such Holder, attorney or accountant in connection with such Registration Statement or any post-effective amendment thereto subsequent to the filing thereof and prior to its effectiveness;

(viii) if requested by any Holders in connection with such exchange or sale, promptly include in any Registration Statement or Prospectus, pursuant to a supplement or post-effective amendment if necessary, such information as such Holders may reasonably request to have included therein, including, without limitation, information relating to the "Plan of Distribution" of the Transfer Restricted Securities; and make all required filings of such Prospectus supplement or post-effective amendment as soon as practicable after the Company is notified of the matters to be included in such Prospectus supplement or post-effective amendment;

(ix) furnish to each Holder in connection with such exchange or sale, without charge, at least one copy of the Registration Statement, as first filed with the Commission, and of each amendment thereto, including, upon request, all documents incorporated by reference therein and all exhibits (including exhibits incorporated therein by reference);

(x) deliver to each Holder without charge, as many copies of the Prospectus (including each preliminary prospectus) and any amendment or supplement thereto as such Persons reasonably may request; the Company hereby consents to the use (in accordance with law) of the Prospectus and any amendment or supplement thereto by each selling Holder in connection with the offering and the sale of the Transfer Restricted Securities covered by the Prospectus or any amendment or supplement thereto;

(xi) upon the request of any Holder, enter into such agreements (including underwriting agreements) and make such representations and warranties and take all such other actions in connection therewith in order to expedite or facilitate the disposition of the Transfer Restricted Securities pursuant to any applicable Registration Statement contemplated by this Agreement as may be reasonably requested by any Holder in connection with any sale or resale pursuant to any applicable Registration Statement. In such connection, the Company shall:

(A) upon request of any Holder, furnish (or, in the case of paragraphs (2), (3) and (4), use all commercially reasonable efforts to cause to be furnished) to each Holder, upon the effectiveness of the Shelf Registration Statement:

(1) a certificate, dated such date, signed on behalf of the Company, in form and substance reasonably satisfactory to the Initial Purchaser, including such matters as such Holders may reasonably request;

(2) an opinion, dated the date of effectiveness of the Shelf Registration Statement, of counsel for the Company, in form and substance reasonably satisfactory to the Initial Purchaser and counsel for the Initial Purchaser, to the effect set forth in Exhibit A to the Purchase Agreement and such other similar matters as such Holders may reasonably request;

(3) a customary comfort letter, dated the date of effectiveness of the Shelf Registration Statement, from the Company's independent accountants, in the customary form and covering matters of the type customarily covered in comfort letters to underwriters in connection with underwritten offerings, and affirming the matters set forth in the comfort letters delivered pursuant to Section 9(h) of the Purchase Agreement, provided that any Holder so requesting a comfort letter confirms in writing to the Company's independent accountants that it is of the class of persons entitled to receive a comfort letter under applicable accounting standards or pronouncements; and

(B) deliver such other documents and certificates as may be reasonably requested by the selling Holders to evidence compliance with clause (A) above and with any customary conditions contained in the any agreement entered into by the Company pursuant to this clause (xi);

(xii) prior to any public offering of Transfer Restricted Securities, cooperate with the selling Holders and their counsel in connection with the registration and qualification of the Transfer Restricted Securities under the securities or Blue Sky laws of such jurisdictions as the selling Holders may reasonably request (which, if the Company so elects, may be effected by counsel designated by the Company) and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Transfer Restricted Securities covered by the applicable Registration Statement; *provided, however*, that the Company shall not be required to register or qualify as a foreign corporation where it is not now so qualified or to take any action that would subject it to the service of process in suits or to taxation, other than as to matters and transactions relating to the Registration Statement, in any jurisdiction where it is not now so subject;

(xiii) in connection with any sale of Transfer Restricted Securities that will result in such securities no longer being Transfer Restricted Securities, cooperate with the Holders to facilitate the timely preparation and delivery of certificates representing Transfer Restricted Securities to be sold and not bearing any restrictive legends; and to register such Transfer Restricted Securities in such denominations and such names as the selling Holders may request at least two Business Days prior to such sale of Transfer Restricted Securities;

(xiv) use all commercially reasonable efforts to cause the disposition of the Transfer Restricted Securities covered by the Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the seller or sellers thereof to consummate the disposition of such Transfer Restricted Securities, subject to the proviso contained in clause (xii) above;

(xv) obtain a CUSIP number for all Transfer Restricted Securities not later than the effective date of a Registration Statement covering such Transfer Restricted Securities and provide the Trustee under the Indenture with printed certificates for the Transfer Restricted Securities which are in a form eligible for deposit with the Depository Trust Company;

(xvi) otherwise use all commercially efforts to comply with all applicable rules and regulations of the Commission, and make generally available to its security holders with regard to any applicable Registration Statement, as soon as practicable, a consolidated earnings statement meeting the requirements of Rule 158 under the Act (which need not be audited) covering a twelve-month period beginning after the effective date of the Registration Statement (as such term is defined in paragraph (c) of Rule 158 under the Act);

(xvii) cause the Indenture to be qualified under the TIA, if not already so qualified, not later than the effective date of the first Registration Statement required by this Agreement and, in connection therewith, cooperate with the Trustee and the Holders to effect such changes to the Indenture as may be required for such Indenture to be so qualified in accordance with the terms of the TIA; and execute and use all commercially reasonable efforts to cause the Trustee to execute, all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Indenture to be so qualified in a timely manner; and

(xviii) provide promptly to each Holder, upon request, each document filed with the Commission pursuant to the requirements of Section 13 or Section 15(d) of the Exchange Act.

(d) Restrictions on Holders. Each Holder agrees by acquisition of a Transfer Restricted Security that, upon receipt of the notice referred to in Section 6(c)(iii)(C) or any notice from the Company of the existence of any fact of the kind described in Section 6(c)(iii)(D) hereof (in each case, a “**Suspension Notice**”), such Holder will forthwith discontinue disposition of Transfer Restricted Securities pursuant to the applicable Registration Statement until (i) such Holder has received copies of the supplemented or amended Prospectus contemplated by Section 6(c)(iv) hereof, or (ii) such Holder is advised in writing by the Company that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus (in each case, the “**Recommendation Date**”). Each Holder receiving a Suspension Notice hereby agrees that it will either (i) destroy any Prospectuses, other than permanent file copies, then in such Holder’s possession which have been replaced by the Company with more recently dated Prospectuses (or supplements or amendments thereto) or (ii) deliver to the Company (at the Company’s expense) all copies, other than permanent file copies, then in such Holder’s possession of the Prospectus covering such Transfer Restricted Securities that was current at the time of receipt of the Suspension Notice. The time period regarding the effectiveness of such Registration Statement set forth in Section 3 or 4 hereof, as applicable, shall be extended by a number of days equal to the number of days in the period from and including the date of delivery of the Suspension Notice to the Recommendation Date.

SECTION 7. REGISTRATION EXPENSES

All expenses incident to the Company’s performance of or compliance with this Agreement will be borne by the Company, regardless of whether a Registration Statement becomes effective, including without limitation: (i) all registration and filing fees and expenses; (ii) all fees and expenses of compliance with federal securities and state Blue Sky or securities laws; (iii) all expenses of printing (including printing certificates for the Exchange Securities to be issued in the Exchange Offer and printing of Prospectuses), messenger and delivery services and telephone; (iv) all fees and disbursements of counsel for the Company; (v) all application and filing fees in connection with listing the Exchange Securities on a national securities exchange or automated quotation system pursuant to the requirements hereof; and (vi) all fees and disbursements of independent certified public accountants of the Company (including the expenses of any special audit and comfort letters required by or incident to such performance).

The Company will, in any event, bear its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expenses of any annual audit and the fees and expenses of any Person, including special experts, retained by the Company.

Anything contained herein to the contrary notwithstanding, the Company shall not have any obligation whatsoever in respect of any brokerage commissions, dealers' selling concessions, transfer taxes or, except as otherwise expressly set forth herein, any other selling expenses incurred in connection herewith or the Exchange Offer or sale of Transfer Restricted Notes, Offered Securities or Exchange Securities.

SECTION 8. INDEMNIFICATION

(a) Indemnification by Company. The Company agrees to indemnify and hold harmless each Holder, its directors, officers and each Person, if any, who controls such Holder (within the meaning of Section 15 of the Act or Section 20 of the Exchange Act), from and against any and all losses, claims, damages, liabilities, judgments, (including without limitation, any reasonable legal or other expenses incurred in connection with investigating or defending any matter, including any action that could give rise to any such losses, claims, damages, liabilities or judgments) caused by any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement, preliminary prospectus or Prospectus (or any amendment or supplement thereto) provided by the Company to any Holder or any prospective purchaser of Exchange Securities or registered Offered Securities, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein in light of the circumstances under which they were made not misleading, except insofar as such losses, claims, damages, liabilities or judgments are caused by an untrue statement or omission or alleged untrue statement or omission that is based upon information relating to any of the Holders furnished in writing to the Company by any of the Holders.

(b) Indemnification by Holders. Each Holder of Transfer Restricted Securities agrees, severally and not jointly, to indemnify and hold harmless the Company and its directors and officers, and each person, if any, who controls (within the meaning of Section 15 of the Act or Section 20 of the Exchange Act) the Company to the same extent as the foregoing indemnity from the Company set forth in section (a) above, but only with reference to information relating to such Holder furnished in writing to the Company by such Holder expressly for use in any Registration Statement. In no event shall any Holder, its directors, officers or any Person who controls such Holder be liable or responsible for any amount in excess of the amount by which the total amount received by such Holder with respect to its sale of Transfer Restricted Securities pursuant to a Registration Statement exceeds (i) the amount paid by such Holder for such Transfer Restricted Securities and (ii) the amount of any damages that such Holder, its directors, officers or any Person who controls such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission.

(c) Notice. In case any action shall be commenced involving any person in respect of which indemnity may be sought pursuant to Section 8(a) or 8(b) (the “**indemnified party**”), the indemnified party shall promptly notify the person against whom such indemnity may be sought (the “**indemnifying person**”) in writing and the indemnifying party shall assume the defense of such action, including the employment of counsel reasonably satisfactory to the indemnified party and the payment of all fees and expenses of such counsel, as incurred (except that in the case of any action in respect of which indemnity may be sought pursuant to both Sections 8(a) and 8(b), a Holder shall not be required to assume the defense of such action pursuant to this Section 8(c), but may employ separate counsel and participate in the defense thereof, but the fees and expenses of such counsel, except as provided below, shall be at the expense of the Holder). Any indemnified party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of the indemnified party unless (i) the employment of such counsel shall have been specifically authorized in writing by the indemnifying party, (ii) the indemnifying party shall have failed to assume the defense of such action or employ counsel reasonably satisfactory to the indemnified party or (iii) the named parties to any such action (including any impleaded parties) include both the indemnified party and the indemnifying party, and the indemnified party shall have been advised by counsel that there may be one or more legal defenses available to it which are different from or additional to those available to the indemnifying party (in which case the indemnifying party shall not have the right to assume the defense of such action on behalf of the indemnified party). In any such case, the indemnifying party shall not, in connection with any one action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all indemnified parties and all such fees and expenses shall be reimbursed as they are incurred. Such firm shall be designated in writing by a majority of the Holders, in the case of the parties indemnified pursuant to Section 8(a), and by the Company, in the case of parties indemnified pursuant to Section 8(b). The indemnifying party shall indemnify and hold harmless the indemnified party from and against any and all losses, claims, damages, liabilities and judgments by reason of any settlement of any action effected with its written consent; *provided* that such consent was not unreasonably withheld. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement or compromise of, or consent to the entry of judgment with respect to, any pending or threatened action in respect of which the indemnified party is or could have been a party and indemnity or contribution may be or could have been sought hereunder by the indemnified party, unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability on claims that are or could have been the subject matter of such action and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of the indemnified party.

(d) Contribution. To the extent that the indemnification provided for in this Section 8 is unavailable to an indemnified party in respect of any losses, claims, damages, liabilities or judgments referred to therein, then each indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or judgments (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Holders, on the other hand, from their sale of Transfer Restricted Securities or (ii) if the allocation provided by clause 8(d)(i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause 8(d)(i) above but also the relative fault of the Company, on the one hand, and of the Holder, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or judgments, as well as any other relevant equitable considerations. The relative fault of the Company, on the one hand, and of the Holder, on the other hand, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, on the one hand, or by the Holder, on the other hand, and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and judgments referred to above shall be deemed to include, subject to the limitations set forth in the second paragraph of Section 8(a), any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim.

The Company and each Holder agree that it would not be just and equitable if contribution pursuant to this Section 8(d) were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or judgments referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any matter, including any action that could have given rise to such losses, claims, damages, liabilities or judgments. Notwithstanding the provisions of this Section 8, no Holder, its directors, its officers or any Person, if any, who controls such Holder shall be required to contribute, in the aggregate, any amount in excess of the amount by which the total received by such Holder with respect to the sale of Transfer Restricted Securities pursuant to a Registration Statement exceeds (i) the amount paid by such Holder for such Transfer Restricted Securities and (ii) the amount of any damages which such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 8(d) are several in proportion to the respective principal amount of Transfer Restricted Securities held by each Holder hereunder and not joint.

SECTION 9. RULE 144A AND RULE 144

Icahn Enterprises agrees with each Holder, for so long as any Transfer Restricted Securities remain outstanding and during any period in which Icahn Enterprises (i) is not subject to Section 13 or 15(d) of the Exchange Act, to make available, upon request of any Holder, to such Holder or beneficial owner of Transfer Restricted Securities in connection with any sale thereof and any prospective purchaser of such Transfer Restricted Securities designated by such Holder or beneficial owner, the information required by Rule 144A(d)(4) under the Act in order to permit resales of such Transfer Restricted Securities pursuant to Rule 144A, and (ii) is subject to Section 13 or 15 (d) of the Exchange Act, to make all filings required thereby in a timely manner in order to permit resales of such Transfer Restricted Securities pursuant to Rule 144.

SECTION 10. MISCELLANEOUS

(a) Remedies. Notwithstanding Section 5, the Company acknowledges and agrees that any failure by the Company to comply with its obligations under Sections 3 and 4 hereof may result in material irreparable injury to the Initial Purchaser or the Holders for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of any such failure, the Initial Purchaser or any Holder may obtain such relief as may be required to specifically enforce the Company's obligations under Sections 3 and 4 hereof. The Company further agrees to waive the defense in any action for specific performance that a remedy at law would be adequate.

(b) No Inconsistent Agreements. The Company will not, on or after the date of this Agreement, enter into any agreement with respect to its securities that is inconsistent with the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof. The Company has not previously entered into, and is not currently a party to, any agreement granting any registration rights with respect to its securities to any Person that would require such securities to be included in any Registration Statement filed hereunder. The rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of the Company's securities under any agreement in effect on the date hereof.

(c) Amendments and Waivers. The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given unless (i) in the case of Section 5 hereof and this Section 10(c)(i), the Company has obtained the written consent of Holders of all outstanding Transfer Restricted Securities with respect of either 2016 Notes or 2018 Notes, as applicable (except that in the event Holders of less than all outstanding Transfer Restricted Securities with respect of either 2016 Notes or 2018 Notes, as applicable, provide their written consent, such amendment, modification or supplement and waiver or consent shall only be enforceable against such Holders that provided their written consent), and (ii) in the case of all other provisions hereof, the Company has obtained the written consent of Holders of a majority of the outstanding principal amount of Transfer Restricted Securities with respect of either 2016 Notes or 2018 Notes, as applicable (excluding Transfer Restricted Securities with respect of either 2016 Notes or 2018 Notes, as applicable, held by the Company or its Affiliates). Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof that relates exclusively to the rights of Holders whose Transfer Restricted Securities, are being tendered pursuant to the Exchange Offer, and that does not affect directly or indirectly the rights of other Holders whose Transfer Restricted Securities are not being tendered pursuant to such Exchange Offer, may be given by the Holders of a majority of the outstanding principal amount of Transfer Restricted Securities with respect of either 2016 Notes or 2018 Notes, as applicable, subject to such Exchange Offer.

(d) Third Party Beneficiary. The Holders shall be third party beneficiaries to the agreements made hereunder between the Company, on the one hand, and the Initial Purchaser, on the other hand, and shall have the right to enforce such agreements directly to the extent they may deem such enforcement necessary or advisable to protect its rights or the rights of Holders hereunder.

(e) Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail (registered or certified, return receipt requested), telecopier or air courier guaranteeing overnight delivery:

(f) Successors and Assigns. This Agreement shall inure to the benefit of and be binding upon the successors and assigns of each of the parties, including without limitation and without the need for an express assignment, subsequent Holders of Transfer Restricted Securities; *provided* that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Transfer Restricted Securities in violation of the terms hereof or of the Purchase Agreement, the terms of the offering described in the Offering Memorandum under the caption "Notice to Investors" or the Indenture. If any transferee of any Holder shall acquire Transfer Restricted Securities in any manner, whether by operation of law or otherwise, such Transfer Restricted Securities shall be held subject to all of the terms of this Agreement, and by taking and holding such Transfer Restricted Securities such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement, including the restrictions on resale set forth in this Agreement and, if applicable, the Purchase Agreement, and such Person shall be entitled to receive the benefits hereof.

(i) Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO THE CONFLICT OF LAW RULES THEREOF.

(j) Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions contained herein shall not be affected or impaired thereby.

(k) Entire Agreement. This Agreement is intended by the parties as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter contained herein. There are no restrictions, promises, warranties or undertakings, other than those set forth or referred to herein with respect to the registration rights granted with respect to the Transfer Restricted Securities. This Agreement supersedes all prior agreements and understandings between the parties with respect to such subject matter.

CONTRIBUTION AND EXCHANGE AGREEMENT

THIS CONTRIBUTION AND EXCHANGE AGREEMENT (this "Agreement"), dated as of January 12, 2010, is by and among Icahn Enterprises L.P., a Delaware limited partnership ("IEP"), Beckton Corp., a Delaware corporation ("Beckton"), Barberry Corp., a Delaware corporation ("Barberry"), Modal LLC, a Delaware limited liability company ("Modal"), and Caboose Holding LLC, a Delaware limited liability company ("Caboose" and, together with Barberry and Modal, each a "Contributing Party", and collectively, the "Contributing Parties"). Capitalized terms not otherwise defined herein have the meanings set forth in Article X.

RECITALS:

WHEREAS, the Contributing Parties collectively own 11,564,145 shares of common stock of American Railcar Industries, Inc., a North Dakota corporation (the "Corporation"), which shares currently represent approximately 54.3% of the total issued and outstanding shares of capital stock of the Corporation (the "ARI Stock"); and

WHEREAS, the Contributing Parties desire to contribute to IEP, and IEP desires to receive from the Contributing Parties, 11,564,145 shares of ARI Stock (the "Contribution Stock") upon the terms and subject to the conditions in this Agreement;

NOW, THEREFORE, the parties hereto agree as follows:

ARTICLE I

Terms of the Transaction

Section 1.1 Contribution of Contribution Stock. At the Closing, and on the terms set forth in this Agreement, the Contributing Parties shall cause the Contribution Stock to be contributed, assigned, transferred, conveyed and delivered to IEP in the number of shares of ARI Stock set forth opposite each Contributing Party's name on Schedule 1.1, and IEP shall receive and accept the Contribution Stock.

Section 1.2 Consideration.

(a) The consideration to be issued, transferred, conveyed and delivered by IEP to the Contributing Parties at the Closing in exchange for the contribution of the Contribution Stock to IEP shall equal 0.2695 fully paid and non-assessable IEP Units for each share of Contribution Stock, for an aggregate consideration of 3,116,537 IEP Units (the "Exchange Units"). The Exchange Units shall be allocated among the Contributing Parties as set forth on Schedule 1.1.

(b) If the VWAP of the ARI Stock over the period starting on the first trading day of the month immediately following the Closing Date and ending on (and including) the 180th day thereafter (such price, the “Six-Month VWAP”, and such date, the “Measurement Date”) exceeds \$11.69, IEP will issue to each Contributing Party a number of IEP Units, rounded to the nearest whole IEP Unit, equal to the quotient obtained by dividing (i) the product of the lesser of (x) the amount by which the Six-Month VWAP exceeds \$10.63 and (y) \$4.25, and the number of shares of Contribution Stock contributed by such Contributing Party at the Closing, by (ii) \$39.45. In the event of any issuance of IEP Units pursuant to this Section 1.2(b), Beckton shall cause Icahn Enterprises GP Holdings LP (“IEGP”), the general partner of IEP, to make such contribution to IEP as is necessary for IEGP to maintain a 1% general partnership interest in IEP.

(c) If the Six-Month VWAP is less than \$9.57, each Contributing Party will contribute to IEP a number of IEP Units, rounded to the nearest whole IEP Unit, equal to the quotient obtained by dividing (i) the product of the lesser of (x) the amount by which \$10.63 exceeds the Six-Month VWAP and (y) \$4.25, and the number of shares of Contribution Stock contributed by such Contributing Party at the Closing, by (ii) \$39.45.

(d) Prior to and including the Measurement Date, neither Beckton, any Contributing Entity nor any of their respective Affiliates will directly or indirectly acquire or dispose of any ARI Stock or IEP Units (other than purchases or issuances of IEP Units or purchases of ARI Shares by IEP in the ordinary course of business) without the prior consent of the Audit Committee; provided, however, that each party shall be permitted to undertake or engage in any transaction contemplated by the offering memorandum relating to the offering by IEP and Icahn Enterprises Finance Corp., as co-issuers, of Senior Notes due 2016 and Senior Notes due 2018.

Section 1.3 Closing. The closing of the transactions contemplated by Section 1.1 and Section 1.2 hereof (the “Closing”) shall take place (a) at the offices of IEP, located at White Plains Plaza, 445 Hamilton Avenue – Suite 1210, White Plains, NY 10601, immediately after all the conditions set forth in Article VIII are satisfied or waived (other than those conditions that by their terms are to be satisfied at the Closing, but subject to the satisfaction or waiver of those conditions at the Closing), or (b) at such other time, date or place as Barbery and IEP may agree. The date on which the Closing occurs is herein referred to as the “Closing Date”. The Closing shall be deemed effective for all accounting, financial and reporting purposes as of the close of business on the Closing Date.

Section 1.4 Actions at the Closing. At the Closing: (i) IEP shall issue and deliver to each Contributing Party a certificate or certificates representing the Exchange Units to be received by such Contributing Party pursuant to Section 1.2, or, in the case of any Exchange Units that are held in book-entry form, IEP shall cause such Exchange Units to be transferred to the account designated in writing by such Contributing Party; (ii) each Contributing Party shall deliver to IEP the Contribution Stock it is contributing pursuant to Section 1.1, together with instruments of transfer satisfactory to IEP or, in the case of any Contribution Stock that is held in book-entry form, such Contributing Party shall cause such Contribution Stock to be transferred to the account designated in writing by IEP; (iii) each Contributing Party shall deliver to IEP a statement, meeting the requirements of section 1.1445-2(b)(2) of the Treasury regulations, to the effect that such Contributing Party is not a foreign person; (iv) IEP and the Contributing Parties shall enter into the ARI Registration Rights Assignment Agreement in connection with the ARI Registration Rights Agreement; (v) pursuant to Section 5.1 of the IEP Registration Rights Agreement, each Contributing Party shall deliver to IEP an executed signature page to the IEP Registration Rights Agreement (the “IEP Registration Rights Joinder”); (vi) IEP shall acknowledge, by signing the IEP Registration Rights Joinder, that, as a result of the Contributing Parties’ delivery of the IEP Registration Rights Joinder, the Contributing Parties shall be and shall be deemed to be each a “Holder” under the IEP Registration Rights Agreement for all purposes thereunder; (vii) IEP shall deliver or cause to be delivered to the Contributing Parties evidence that the NYSE has approved the Exchange Units for listing, subject only to official notice of issuance, in form and substance reasonably acceptable to Contributing Parties; and (viii) Beckton shall cause IEGP to make such contribution to IEP as is necessary for IEGP to maintain a 1% general partnership interest in IEP.

Section 1.5 Adjustments. In the event that the number of shares of ARI Stock or IEP Units, or securities convertible or exchangeable into or exercisable for ARI Stock or IEP Units, issued and outstanding prior to (and including) the Measurement Date changes as a result of a reclassification, stock or unit split (including a reverse stock or unit split), stock or unit dividend or stock or unit distribution, recapitalization, merger, subdivision, issuer tender or exchange offer, or other similar transaction, the ARI Stock and/or IEP Units to be delivered as consideration hereunder, as applicable, shall be proportionately and equitably adjusted to account for such change.

Section 1.6 Tax Treatment. The parties agree and acknowledge that the contribution of the Contribution Stock to IEP in exchange for the Exchange Units is intended to qualify as a tax-free contribution to a partnership under Code Section 721(a) and no party, on a Tax Return or otherwise, shall, except to the extent required by Law, take any position inconsistent with such treatment.

Section 1.7 704(c) Methods. Beckton will cause IEGP, to the extent possible, to take such action as is necessary, including selecting methods under Code Section 704(c), to cause each Exchange Unit to have the same economic and tax characteristics to any purchaser or acquirer thereof as each other IEP Unit, provided that Beckton consults with the Audit Committee with respect to all Code Section 704(c) elections relating to this transaction.

ARTICLE IX

Indemnification

Section 9.1 Indemnification by Barberry.

(a) Barberry agrees to indemnify IEP, its Affiliates and their respective officers, directors, employees, independent contractors, stockholders, principals, partners, agents, or representatives (other than Carl C. Icahn and his Affiliates other than Icahn Enterprises G.P. Inc. and its controlled Affiliates; provided, however, that for all purposes of this Article IX, neither the Corporation nor any of its controlled Affiliates shall be deemed to be Affiliates of Icahn Enterprises G.P. Inc.) (each an "Indemnified Person" and collectively, the "Indemnified Persons") against, and to hold each Indemnified Person harmless from, any and all Losses incurred or suffered by any Indemnified Person relating to or arising out of or in connection with (i) any breach of or any inaccuracy in any representation or warranty made by any Contributing Party in this Agreement, (ii) any breach of or failure by any Contributing Party to perform any of its covenants or obligations set out or contemplated in this Agreement or (iii) any material deficiency or material claim for Taxes set forth in Section 5.7(b) of the Corporation Disclosure Schedule, but, in the case of this Section 9.1(a)(iii) only to the extent that the Losses incurred or suffered by any Indemnified Person relating to or arising out of any such deficiency or claim exceeds the amount of the reserves established for such deficiency or claim.

(b) Notwithstanding any provisions to the contrary contained herein, (x) indemnification for Losses under Section 9.1(a) shall be payable by Barberry only if the aggregate amount of all Losses incurred by the Indemnified Persons shall exceed the Basket Amount, at which time all such Losses, including any Losses comprising the Basket Amount, shall be recoverable and (y) the aggregate liability of Barberry for indemnification of IEP under Section 9.1(a) shall in no event exceed the Cap Amount.

(c) For purposes of this Article IX, (i) any inaccuracy in or breach of any representation or warranty shall be determined without regard to any materiality, “Material Adverse Effect”, “Material Adverse Change” or similar qualification, and without regard to any qualification or requirement that a matter be or not be “reasonably expected” to occur, contained in or otherwise applicable to such representation or warranty and (ii) any qualification of any representations and warranties by reference to the Contributing Parties’ Knowledge in Sections 5.5, 5.13, 5.16 and 5.18 (other than any references to threatened, anticipated, or foreseeable) shall be disregarded in determining whether any such representations or warranties have been breached and in the calculation of the amount of any Losses resulting therefrom.

Section 9.2 Claims. As promptly as is reasonably practicable after becoming aware of a claim for indemnification under this Agreement, the Indemnified Person shall promptly give notice to Barberrry of such claim and the amount the Indemnified Person will be entitled to receive hereunder from Barberrry; provided that the failure of the Indemnified Person to promptly give notice shall not relieve Barberrry of its obligations except to the extent (if any) that Barberrry shall have been prejudiced thereby. If Barberrry does not object in writing to such indemnification claim within thirty (30) days of receiving notice thereof, the Indemnified Person shall be entitled to recover, on the thirty-fifth day after such notice was given, from Barberrry the amount of such claim, and no later objection by Barberrry shall be permitted; if Barberrry agrees that it has an indemnification obligation but objects that it is obligated to pay only a lesser amount, the Indemnified Person shall nevertheless be entitled to recover, on the thirty-fifth day after such notice was given, from Barberrry the lesser amount, without prejudice to the Indemnified Person’s claim for the difference. In addition to the amounts recoverable by the Indemnified Person from Barberrry pursuant to the foregoing provisions, the Indemnified Person shall also be entitled to recover from Barberrry interest on such amounts at the rate of Two Times Prime from, and including, the thirty-fifth day after such notice of an indemnification claim is given to, but not including, the date such recovery is actually made by the Indemnified Person.

Section 9.3 Notice of Third Party Claims; Assumption of Defense. The Indemnified Person shall give notice as promptly as is reasonably practicable to Barberry of the assertion of any claim, or the commencement of any suit, action or proceeding, by any Person not a party hereto (a “Third Party Claim”) in respect of which indemnity may be sought under this Agreement; provided that the failure of the Indemnified Person to promptly give notice shall not relieve Barberry of its obligations except to the extent (if any) that Barberry shall have been prejudiced thereby. Barberry may, at its own expense, participate in the defense of any Third Party Claim, suit, action or proceeding (a) upon notice to the Indemnified Person and (b) upon delivery by Barberry to the Indemnified Person a written agreement that the Indemnified Person is entitled to indemnification for all Losses arising out of such Third Party Claim, suit, action or proceeding and that Barberry shall be liable for the entire amount of any Loss, at any time during the course of any such Third Party Claim, suit, action or proceeding, assume the defense thereof; provided, however, that (i) Barberry’s counsel is reasonably satisfactory to the Indemnified Person, and (ii) Barberry shall thereafter consult with the Indemnified Person upon the Indemnified Person’s reasonable request for such consultation from time to time with respect to such Third Party Claim, suit, action or proceeding. If Barberry assumes such defense, the Indemnified Person shall have the right (but not the duty) to participate in the defense thereof and to employ counsel, at its own expense, separate from the counsel employed by Barberry. If, however, the Indemnified Person reasonably determines in its judgment that representation by Barberry’s counsel of both Barberry and the Indemnified Person would present such counsel with a conflict of interest, then such Indemnified Person may employ separate counsel to represent or defend it in any such Third Party Claim, action, suit or proceeding and Barberry shall pay all of the fees and disbursements in connection with the retention of such separate counsel. If Barberry fails to promptly notify the Indemnified Party that Barberry desires to defend the Third Party Claim pursuant, or if Barberry gives such notice but fails to prosecute vigorously and diligently or settle the Third Party Claim, then the Indemnified Party will have the right to defend, at the sole cost and expense of Barberry, the Third Party Claim by all appropriate proceedings, which proceedings will be prosecuted by the Indemnified Person in good faith or will be settled at the discretion of the Indemnified Person (with the consent of Barberry, which consent will not be unreasonably withheld). The Indemnified Person will have full control of such defense and proceedings, including any compromise or settlement thereof. Whether or not Barberry chooses to defend or prosecute any such Third Party Claim, suit, action or proceeding, all of the parties hereto shall cooperate in the defense or prosecution thereof.

Section 9.4 Settlement or Compromise. Any settlement or compromise made or caused to be made by the Indemnified Person or Barberry, of any claim, suit, action or proceeding shall also be binding upon Barberry or the Indemnified Person, as the case may be, in the same manner as if a final judgment or decree had been entered by a court of competent jurisdiction in the amount of such settlement or compromise thereof; provided, however, that no obligation, restriction or Loss shall be imposed on the Indemnified Person as a result of such settlement without its prior written consent. The Indemnified Person will give Barberry at least thirty (30) days notice of any proposed settlement or compromise of any Third Party Claim, suit, action or proceeding it is defending, during which time Barberry may reject such proposed settlement or compromise; provided, however, that from and after such rejection, Barberry shall be obligated to assume the defense of and full and complete liability and responsibility for such Third Party Claim, suit, action or proceeding and any and all Losses in connection therewith in excess of the amount of unindemnifiable Losses which the Indemnified Person would have been obligated to pay under the proposed settlement or compromise.

Section 9.5 Failure of Barberry to Act. In the event that Barberry does not assume the defense of any Third Party Claim, suit, action or proceeding brought against an Indemnified Person, then any failure of the Indemnified Person to defend or to participate in the defense of any such Third Party Claim, suit, action or proceeding or to cause the same to be done, shall not relieve Barberry of any of its obligations under this Agreement.

Section 9.6 Tax Character. The parties agree that any payments made to IEP pursuant to this Article IX will be treated for federal and state income tax purposes as a tax-free contribution to IEP in exchange for the Exchange Units under Code Section 721(a) and no party, on a Tax Return or otherwise, shall, except to the extent required by Law, take any position inconsistent with such treatment.

Section 9.7 Sole and Exclusive Remedy. The indemnification remedy provided by Barberry to the Indemnified Persons under this Article IX shall be the sole and exclusive remedy to which IEP and each other Indemnified Person shall be entitled after the Closing under this Agreement. Any amounts owed by Barberry to an Indemnified Person under this Article IX may be paid by Barberry, in its sole discretion, in cash, IEP Units, or a combination of cash and IEP Units. For purposes of determining the number of IEP Units which are to be delivered to an Indemnified Person upon settlement of an indemnification claim in whole or in part with IEP Units, the value of each IEP Unit shall be deemed to be the lower of (i) \$39.45 and (ii) the 30-day VWAP for the 30-day period immediately prior to the date any payment is due.

(a) The Corporation and each Subsidiary has duly and timely filed with the appropriate taxing authorities all material Tax Returns required to have been filed. Such Tax Returns are complete and accurate in all material respects. All Taxes shown as due and payable on such Tax Returns have been paid and all other material Taxes for which either the Corporation or any Subsidiary is liable that are due and payable have been paid or adequately reserved for on the financial statements of the Corporation.

(b) Neither the IRS nor any other taxing authority (whether domestic or foreign) has asserted in writing against the Corporation or any Subsidiary any material deficiency or material claim for Taxes in excess of the reserves established therefor.

(c) The contribution of the Contribution Stock by the Contributing Parties to IEP in exchange for the Exchange Units has not and will not result in any material income Taxes payable by the Corporation or any Subsidiary, other than as a result of the loss, reduction, or limitation of any net operating losses, credits, deductions, carryforwards of such or other items, or other Tax attributes.

Section 5.8 Employee Matters/Employee Benefit Plans. Except for matters which would not, individually, or in the aggregate, be reasonably likely to have a Material Adverse Effect:

(a) Except as accrued thereafter in accordance with the terms of the Plans as of the date hereof, neither the Corporation nor any of its Subsidiaries has incurred any material liability, and no event, transaction or condition has occurred or exists that could result in any material liability, on account of any Plans, including but not limited to liability for (i) additional contributions required to be made under the terms of any Plan or its related trust, insurance contract or other funding arrangement with respect to periods ending on or prior to the date hereof which are not reflected, reserved against or accrued in the Corporation's financial statements; or (ii) breaches by the Corporation, or, to the Contributing Parties' Knowledge, the trustees under the trusts created under the Plans, or any other Persons under ERISA or any other applicable Law. Each of the Plans has been operated and administered in material compliance with its terms, all applicable Laws and, if applicable, collective bargaining agreements. Since January 1, 2008, neither the Corporation nor any of its Subsidiaries has communicated to any current or former director, officer, employee or consultant thereof any intention or commitment to amend or modify any Plan, or to establish or implement any other employee or retiree benefit or compensation plan or arrangement, which would materially increase the cost to the Corporation and the Subsidiaries, taken as a whole.

(b) Each Plan which is intended to be "qualified" within the meaning of Section 401(a) of the Code, and the trust (if any) forming a part thereof has received or requested a favorable determination letter or is covered by an opinion letter from the Internal Revenue Service and, to the Contributing Parties' Knowledge, no event has occurred and no condition exists which could reasonably be expected to result in the revocation of any such determination. All amendments and actions required to bring each Plan into conformity with the applicable provisions of ERISA, the Code, and any other applicable Laws have been made or taken.

(c) There are no pending or threatened claims by or on behalf of any participant in any of the Plans, or otherwise involving any such Plan or the assets of any Plan, other than routine claims for benefits in the ordinary course. The Plans are not presently under audit or examination (nor has notice been received of a potential audit or examination) by the Internal Revenue Service or the Department of Labor.

(d) None of the Plans provides benefits of any kind with respect to current or former employees, officers, or directors (or their beneficiaries) of the Corporation or any of its Subsidiaries beyond their retirement or other termination of employment, other than (i) coverage for benefits mandated by Section 4980B of the Code, (ii) death benefits or retirement benefits under an employee pension benefit plan (as defined by Section 3(2) of ERISA), or (iii) benefits, the full cost of which is borne by such current or former employees, officers, directors, or beneficiaries.

(e) No Plan sponsored by the Corporation is a “multiemployer plan” within the meaning of Section 4001(a)(3) of ERISA or a “multiple employer plan” as addressed in section 4063 or 4064 of ERISA. No Plan sponsored by the Corporation is subject to Title IV of ERISA.

(f) The consummation of the transactions contemplated by this Agreement will not (alone or in combination with any other event, including, without limitation, the passage of time) result in (i) any payment (including, without limitation, severance, unemployment compensation, golden parachute, bonus payments or otherwise) becoming due under any agreement or oral arrangement to any current or former director, officer, employee or consultant of the Corporation or any of its Subsidiaries, (ii) any increase in the amount of salary, wages or other benefits payable to any director, officer, employee or consultant of the Corporation or any of its Subsidiaries, or (iii) any acceleration of the vesting or timing of payment of any benefits or compensation (including, without limitation, any increased or accelerated funding obligation) payable to any director, officer, employee or consultant of the Corporation or any of its Subsidiaries.

(g) There is, and since January 1, 2008 there has been, to the Contributing Parties’ Knowledge, (i) (A) no unfair labor practice complaint pending or threatened against the Corporation before the National Labor Relations Board, and no grievance or arbitration proceeding arising out of or under collective bargaining agreements is pending or threatened, (B) no strike, labor dispute, slowdown or stoppage pending or threatened against the Corporation or any of its Subsidiaries and (C) no union representation dispute currently existing concerning the employees of the Corporation or any of its Subsidiaries, and (ii) (A) no union organizing activities are currently taking place concerning the employees of the Corporation or any of its Subsidiaries and (B) there has been no violation of any federal, state, local or foreign law relating to discrimination in the hiring, promotion or pay of employees, any applicable wage or hour laws.

Section 5.9 Litigation. There are no material actions, suits, arbitrations, regulatory proceedings or other litigation, proceedings or governmental investigations pending or, to the Contributing Parties’ Knowledge, threatened against or affecting any of the Corporation or its Subsidiaries or any of their respective officers, directors, employees or agents in their capacity as such, or any of the Corporation’s or any of its Subsidiaries’ respective Assets and Properties or the respective businesses of the Corporation or its Subsidiaries that, if determined adversely to the Corporation or such Subsidiary or any of their officers, directors, employees or agents in their capacity as such would be reasonably expected to be material to the Corporation and its Subsidiaries, and to the Contributing Parties’ Knowledge, there are no facts or circumstances which may give rise to any of the foregoing. Neither the Corporation nor any of its Subsidiaries is subject to any order, judgment, decree, injunction, stipulation or consent order of or with any court or other Governmental or Regulatory Authority.

Section 5.10 Claims Against Officers and Directors. There are no pending or, to the Contributing Parties' Knowledge, threatened claims against any current or former director, officer, employee or agent of the Corporation, any of its Subsidiaries or any other Person, which could give rise to any material claim for indemnification against the Corporation or any of its Subsidiaries or cause the Corporation or any of its Subsidiaries to incur any liability or otherwise suffer or incur any Loss.

Section 5.11 Insurance. The Corporation and its Subsidiaries, as the case may be, maintain insurance policies that provide adequate and suitable insurance coverage for their respective businesses and are on such terms, cover such risks and are in such amounts as the insurance customarily carried by comparable companies of established reputation similarly situated and carrying on the same or similar business. All such insurance is fully in force on the date hereof except where the failure to maintain such insurance would not, individually or in the aggregate, be reasonably likely to have a Material Adverse Effect.

Section 5.12 Compliance with Law. To the Contributing Parties' Knowledge, each of the Corporation and its Subsidiaries is in material compliance and, at all times since January 1, 2008, has been in compliance in all material respects with all applicable Laws relating to each of them or their respective Assets and Properties or business. No investigation or review by any Governmental or Regulatory Authority or self-regulatory authority is pending or, to the Contributing Parties' Knowledge, threatened, nor has any such authority indicated in writing to any Contributing Party or the Corporation or any of its Subsidiaries an intention to conduct an investigation or review of the Corporation or any of its Subsidiaries.

Section 5.13 Undisclosed Liabilities. To the Contributing Parties' Knowledge, neither the Corporation nor any of its Subsidiaries has any material liabilities or obligations of any nature, whether known or unknown, absolute, accrued, contingent or otherwise and whether due or to become due, other than liabilities and obligations incurred after September 30, 2009 in the ordinary course of business consistent with past practice (including as to amount and nature).

Section 5.14 Related Parties. Since January 1, 2008, there have been no transactions with "related persons" (as such term is defined by Item 404 of Regulation S-K promulgated under the Securities Act ("Item 404")) of the Corporation that would be required to be disclosed pursuant to Item 404 if the Corporation were a SEC Filer that have not been disclosed in the Current Viskase Financial Documents.

Section 5.15 Intellectual Property.

(a) The Corporation and its Subsidiaries own or have obtained valid and enforceable licenses for, or other rights to use, the inventions, patent applications, patents, trademarks (both registered and unregistered), tradenames, service names, copyrights, trade secrets and other proprietary information (collectively, "Intellectual Property") owned or licensed by them or which are necessary for the conduct of their respective businesses, except where the failure to own, license or have such rights would not, individually or in the aggregate, adversely affect the ability of the Corporation and its Subsidiaries to conduct their business in the ordinary course, consistent with past practice; (i) to the Contributing Parties' Knowledge, there are no third parties who have, or will be able to establish, rights to any Intellectual Property, except for the ownership rights of the owners of the Intellectual Property which is licensed to the Corporation or any of its Subsidiaries; (ii) to the Contributing Parties' Knowledge, there is no infringement by third parties of any Intellectual Property; (iii) there is no pending or, to the Contributing Parties' Knowledge, threatened action, suit, proceeding or claim by others challenging the Corporation's or any of its Subsidiaries' rights in or to any Intellectual Property; (iv) there is no pending or, to the Contributing Parties' Knowledge, threatened action, suit, proceeding or claim by others challenging the validity or scope of any Intellectual Property, and to the Contributing Parties' Knowledge, there are no facts which could form a reasonable basis for any such claim; and (v) there is no pending or, to the Contributing Parties' Knowledge, threatened action, suit, proceeding or claim by others that the Corporation or any of its Subsidiaries infringes or otherwise violates any patent, trademark, copyright, trade name, service name, trade secret or other proprietary rights of others, and to the Contributing Parties' Knowledge there are no facts which could form a reasonable basis for any such action, suit, proceeding or claim;

(b) All Intellectual Property has been duly registered with, filed in or issued by the relevant filing offices, domestic or foreign, to the extent necessary or desirable to ensure full protection under any applicable Law, and such registrations, filings or issuances remain in full force and effect, other than as would not, individually or in the aggregate, adversely affect the ability of the Corporation and its Subsidiaries to conduct their business in the ordinary course, consistent with past practice.

Section 5.16 Environmental Matters.

(a) To the Contributing Parties' Knowledge, the Corporation and its Subsidiaries and their Assets and Properties and operations are and have been in compliance with, and hold all permits, authorizations and approvals required under, Environmental Laws, except to the extent that failure to so comply or to hold such permits, authorizations or approvals would not, individually or in the aggregate, adversely affect the ability of the Corporation and its Subsidiaries to conduct their business in the ordinary course, consistent with past practice.

(b) To the Contributing Parties' Knowledge, except as would not, individually or in the aggregate, adversely affect the ability of the Corporation and its Subsidiaries to conduct their business in the ordinary course, consistent with past practice, there are no past, present or reasonably anticipated future events, conditions, circumstances, activities, practices, actions, omissions or plans that could reasonably be expected to give rise to any material costs or material liabilities to the Corporation or any of its Subsidiaries under, or to materially interfere with or materially prevent compliance by the Corporation or any of its Subsidiaries with, Environmental Laws.

(c) To the Contributing Parties' Knowledge, except as would not, individually or in the aggregate, adversely affect the ability of the Corporation and its Subsidiaries to conduct their business in the ordinary course, consistent with past practice, none of the Corporation or any of its Subsidiaries (i) is the subject of any investigation, (ii) has received any written notice or claim, (iii) is a party to or affected by any pending or threatened action, suit or proceeding, (iv) is bound by any judgment, decree or order or (v) has entered into any agreement, in each case relating to any alleged material violation of any Environmental Law or any actual or alleged material release or threatened material release or cleanup at any location of any Hazardous Materials.

Section 5.17 Contracts.

(a) The Corporation Disclosure Schedule lists all agreements, contracts or instruments that would be required to be disclosed by the Corporation under Item 601 of Regulation S-K promulgated under the Securities Act if the Corporation were a SEC Filer (the "Material Contracts"). The Material Contracts are the only material agreements, contracts or instruments that are binding upon the Corporation and its Subsidiaries that are material to the operation of the business of the Corporation and its Subsidiaries, taken as a whole.

(b) To the Contributing Parties' Knowledge, prior to the date hereof, true, correct and complete copies of each Material Contract have been delivered or made available to IEP. Each such Contract is in full force and effect and constitutes a legal, valid and binding agreement, enforceable in accordance with its terms, of the Corporation or any of the Subsidiaries, as the case may be, and, to the Contributing Parties' Knowledge, of each other party thereto; and neither the Corporation nor any of the Subsidiaries nor, to the Contributing Parties' Knowledge, any other party to such Contract, is in violation or breach of or default under any such Contract (or with notice or lapse of time or both, would be in violation or breach of or default under any such Contract).

Section 5.18 Accuracy of Statements. To the Contributing Parties' Knowledge, neither this Agreement nor any schedule, exhibit, statement, list, document, certificate or other information furnished or to be furnished by or on behalf of any Contributing Party to IEP or any of its representatives or Affiliates in connection with this Agreement or any of the transactions contemplated hereby, nor any of the matters disclosed in the Current Viskase Financial Documents, contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact necessary to make the statements contained herein or therein, in light of the circumstances in which they are made, not misleading.

Section 5.19 Investor Representation. Each Contributing Party will acquire the IEP Units for its own account, for investment purposes only and not with a view toward, or for sale in connection with, any distribution thereof, nor with any present intention of distributions or selling the IEP Units in violation of the federal securities Laws or any applicable foreign or state securities Laws, and understands that the IEP Units will be sold without registration under the federal and applicable state securities Laws in reliance upon such representation. No Contributing Party will offer to sell or otherwise dispose of the IEP Units acquired by it hereunder in violation of any of the registration requirements of the Securities Act or any comparable state Laws.

ARTICLE VI

Section 6.4 Consents and Approvals. No consent, authorization or approval of, filing (other than with the SEC pursuant to Section 13 and Section 16 of the Exchange Act) or registration with, or cooperation from, any Governmental or Regulatory Authority or any other Person not a party to this Agreement is necessary in connection with the execution, delivery and performance by IEP of this Agreement or the consummation of the transactions contemplated hereby.

Section 6.6 Investor Representation. IEP will not offer to sell or otherwise dispose of the Contribution Stock acquired by it hereunder in violation of any of the registration requirements of the Securities Act or any comparable state Laws.

Section 6.7 Title. The Exchange Units have been duly authorized by all required action on the part of IEP. The delivery of the Exchange Units delivered by IEP to the Contributing Parties at the Closing will transfer to the Contributing Parties good and valid title to the Exchange Units free and clear of all Liens, other than any Liens created by any Contributing Party.

(a) IEP is classified as a partnership and not an association taxable as a corporation for U.S. federal income Tax purposes.

(b) IEP has timely filed all material Tax Returns required to be filed through the date of this Agreement with respect to the income, properties or operations of IEP and its Subsidiaries. The parties will use their commercially reasonable efforts and cooperate with one another (i) in promptly determining whether any filings are required to be made or consents, approvals, waivers, licenses, permits or authorizations are required to be obtained (or, which if not obtained, would result in a Material Adverse Effect or an event of default, termination or acceleration of any agreement or any put right under any agreement) under any applicable Law or regulation or from any Governmental or Regulatory Authority or third parties, and (ii) in promptly making any such filings, in furnishing information required in connection therewith and in timely seeking to obtain any such consents, approvals, permits or authorizations.

(b) From the date hereof through the Closing Date, the Contributing Parties shall give prompt written notice to IEP of: (i) any occurrence, or failure to occur, of any event whose occurrence or failure to occur would reasonably be expected to cause any representation or warranty of the Contributing Parties contained in this Agreement, if made on or as of the date of such event or as of the Closing Date, to be untrue or inaccurate, except for changes permitted by this Agreement and except to the extent that any representation and warranty is made as of a specified date, in which case, such representation and warranty shall be true, complete and accurate as of such date; or (ii) any failure of the Contributing Parties or of any officer, member, director, employee, consultant or agent of the Contributing Parties, to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it or them under this Agreement; provided, however, that no such notification shall affect the representations or warranties of the Contributing Parties or the conditions to the obligations of IEP hereunder. From the date hereof through the Closing Date, IEP shall give prompt written notice to the Contributing Parties of: (i) any occurrence, or failure to occur, of any event whose occurrence or failure to occur would reasonably be expected to cause any representation or warranty of IEP contained in this Agreement, if made on or as of the date of such event or as of the Closing Date, to be untrue or inaccurate, except for changes permitted by this Agreement and except to the extent that any representation and warranty is made as of a specified date, in which case, such representation and warranty shall be true, complete and accurate as of such date; or (ii) any failure of IEP or any officer, general partner, director, employee, consultant or agent of IEP, to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it or them under this Agreement; provided, however, that no such notification shall affect the representations or warranties of IEP or the conditions to the obligations of the Contributing Parties hereunder.

ARTICLE IX

Indemnification

Section 9.1 Indemnification by Barberry.

(a) Barberry agrees to indemnify IEP, its Affiliates and their respective officers, directors, employees, independent contractors, stockholders, principals, partners, agents, or representatives (other than Carl C. Icahn and his Affiliates other than Icahn Enterprises G.P. Inc. and its controlled Affiliates; provided, however, that for all purposes of this Article IX, neither the Corporation nor any of its controlled Affiliates shall be deemed to be Affiliates of Icahn Enterprises G.P. Inc.) (each an "Indemnified Person" and collectively, the "Indemnified Persons") against, and to hold each Indemnified Person harmless from, any and all Losses incurred or suffered by any Indemnified Person relating to or arising out of or in connection with (i) any breach of or any inaccuracy in any representation or warranty made by any Contributing Party in this Agreement, (ii) any breach of or failure by any Contributing Party to perform any of its covenants or obligations set out or contemplated in this Agreement or (iii) any material deficiency or material claim for Taxes set forth in Section 5.7(b) of the Corporation Disclosure Schedule, but, in the case of this Section 9.1(a)(iii) only to the extent that the Losses incurred or suffered by any Indemnified Person relating to or arising out of any such deficiency or claim exceeds the amount of the reserves established for such deficiency or claim.

(b) Notwithstanding any provisions to the contrary contained herein, (x) indemnification for Losses under Section 9.1(a) shall be payable by Barberrry only if the aggregate amount of all Losses incurred by the Indemnified Persons shall exceed the Basket Amount, at which time all such Losses, including any Losses comprising the Basket Amount, shall be recoverable and (y) the aggregate liability of Barberrry for indemnification of IEP under Section 9.1(a) shall in no event exceed the Cap Amount.

(c) For purposes of this Article IX, (i) any inaccuracy in or breach of any representation or warranty shall be determined without regard to any materiality, “Material Adverse Effect”, “Material Adverse Change” or similar qualification, and without regard to any qualification or requirement that a matter be or not be “reasonably expected” to occur, contained in or otherwise applicable to such representation or warranty and (ii) any qualification of any representations and warranties by reference to the Contributing Parties’ Knowledge in Sections 5.5, 5.13, 5.16 and 5.18 (other than any references to threatened, anticipated, or foreseeable) shall be disregarded in determining whether any such representations or warranties have been breached and in the calculation of the amount of any Losses resulting therefrom.

Section 9.2 Claims. As promptly as is reasonably practicable after becoming aware of a claim for indemnification under this Agreement, the Indemnified Person shall promptly give notice to Barberrry of such claim and the amount the Indemnified Person will be entitled to receive hereunder from Barberrry; provided that the failure of the Indemnified Person to promptly give notice shall not relieve Barberrry of its obligations except to the extent (if any) that Barberrry shall have been prejudiced thereby. If Barberrry does not object in writing to such indemnification claim within thirty (30) days of receiving notice thereof, the Indemnified Person shall be entitled to recover, on the thirty-fifth day after such notice was given, from Barberrry the amount of such claim, and no later objection by Barberrry shall be permitted; if Barberrry agrees that it has an indemnification obligation but objects that it is obligated to pay only a lesser amount, the Indemnified Person shall nevertheless be entitled to recover, on the thirty-fifth day after such notice was given, from Barberrry the lesser amount, without prejudice to the Indemnified Person’s claim for the difference. In addition to the amounts recoverable by the Indemnified Person from Barberrry pursuant to the foregoing provisions, the Indemnified Person shall also be entitled to recover from Barberrry interest on such amounts at the rate of Two Times Prime from, and including, the thirty-fifth day after such notice of an indemnification claim is given to, but not including, the date such recovery is actually made by the Indemnified Person.

Section 9.3 Notice of Third Party Claims; Assumption of Defense. The Indemnified Person shall give notice as promptly as is reasonably practicable to Barberrry of the assertion of any claim, or the commencement of any suit, action or proceeding, by any Person not a party hereto (a “Third Party Claim”) in respect of which indemnity may be sought under this Agreement; provided that the failure of the Indemnified Person to promptly give notice shall not relieve Barberrry of its obligations except to the extent (if any) that Barberrry shall have been prejudiced thereby. Barberrry may, at its own expense, participate in the defense of any Third Party Claim, suit, action or proceeding (a) upon notice to the Indemnified Person and (b) upon delivery by Barberrry to the Indemnified Person a written agreement that the Indemnified Person is entitled to indemnification for all Losses arising out of such Third Party Claim, suit, action or proceeding and that Barberrry shall be liable for the entire amount of any Loss, at any time during the course of any such Third Party Claim, suit, action or proceeding, assume the defense thereof; provided, however, that (i) Barberrry’s counsel is reasonably satisfactory to the Indemnified Person, and (ii) Barberrry shall thereafter consult with the Indemnified Person upon the Indemnified Person’s reasonable request for such consultation from time to time with respect to such Third Party Claim, suit, action or proceeding. If Barberrry assumes such defense, the Indemnified Person shall have the right (but not the duty) to participate in the defense thereof and to employ counsel, at its own expense, separate from the counsel employed by Barberrry. If, however, the Indemnified Person reasonably determines in its judgment that representation by Barberrry’s counsel of both Barberrry and the Indemnified Person would present such counsel with a conflict of interest, then such Indemnified Person may employ separate counsel to represent or defend it in any such Third Party Claim, action, suit or proceeding and Barberrry shall pay all of the fees and disbursements in connection with the retention of such separate counsel. If Barberrry fails to promptly notify the Indemnified Party that Barberrry desires to defend the Third Party Claim pursuant, or if Barberrry gives such notice but fails to prosecute vigorously and diligently or settle the Third Party Claim, then the Indemnified Party will have the right to defend, at the sole cost and expense of Barberrry, the Third Party Claim by all appropriate proceedings, which proceedings will be prosecuted by the Indemnified Person in good faith or will be settled at the discretion of the Indemnified Person (with the consent of Barberrry, which consent will not be unreasonably withheld). The Indemnified Person will have full control of such defense and proceedings, including any compromise or settlement thereof. Whether or not Barberrry chooses to defend or prosecute any such Third Party Claim, suit, action or proceeding, all of the parties hereto shall cooperate in the defense or prosecution thereof.

Section 9.4 Settlement or Compromise. Any settlement or compromise made or caused to be made by the Indemnified Person or Barberrry, of any claim, suit, action or proceeding shall also be binding upon Barberrry or the Indemnified Person, as the case may be, in the same manner as if a final judgment or decree had been entered by a court of competent jurisdiction in the amount of such settlement or compromise thereof; provided, however, that no obligation, restriction or Loss shall be imposed on the Indemnified Person as a result of such settlement without its prior written consent. The Indemnified Person will give Barberrry at least thirty (30) days notice of any proposed settlement or compromise of any Third Party Claim, suit, action or proceeding it is defending, during which time Barberrry may reject such proposed settlement or compromise; provided, however, that from and after such rejection, Barberrry shall be obligated to assume the defense of and full and complete liability and responsibility for such Third Party Claim, suit, action or proceeding and any and all Losses in connection therewith in excess of the amount of unindemnifiable Losses which the Indemnified Person would have been obligated to pay under the proposed settlement or compromise.

Section 9.5 Failure of Barberry to Act. In the event that Barberry does not assume the defense of any Third Party Claim, suit, action or proceeding brought against an Indemnified Person, then any failure of the Indemnified Person to defend or to participate in the defense of any such Third Party Claim, suit, action or proceeding or to cause the same to be done, shall not relieve Barberry of any of its obligations under this Agreement.

Section 9.6 Tax Character. The parties agree that any payments made to IEP pursuant to this Article IX will be treated for federal and state income tax purposes as a tax-free contribution to IEP in exchange for the Exchange Units under Code Section 721(a) and no party, on a Tax Return or otherwise, shall, except to the extent required by Law, take any position inconsistent with such treatment.

Section 9.7 Sole and Exclusive Remedy. The indemnification remedy provided by Barberry to the Indemnified Persons under this Article IX shall be the sole and exclusive remedy to which IEP and each other Indemnified Person shall be entitled after the Closing under this Agreement. Any amounts owed by Barberry to an Indemnified Person under this Article IX may be paid by Barberry, in its sole discretion, in cash, IEP Units, or a combination of cash and IEP Units. For purposes of determining the number of IEP Units which are to be delivered to an Indemnified Person upon settlement of an indemnification claim in whole or in part with IEP Units, the value of each IEP Unit shall be deemed to be the lower of (i) \$39.45 and (ii) the 30-day VWAP for the 30-day period immediately prior to the date any payment is due.

(New York, New York, January 15, 2010) – Icahn Enterprises L.P. (NYSE: IEP) – Icahn Enterprises L.P. (“Icahn Enterprises”), together with Icahn Enterprises Finance Corp., announced today that they have consummated their offering of \$2.0 billion in aggregate principal amount of their 7¾% Senior Notes due 2016 (the “2016 Notes”) and 8% Senior Notes due 2018 (the “2018 Notes” and, together with the 2016 Notes, the “New Notes”). The New Notes were sold in a private offering to qualified institutional buyers as defined in Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and non-U.S. persons outside the United States under Regulation S under the Securities Act.

Icahn Enterprises used a portion of the proceeds from the offering to purchase the approximately \$1.28 billion in aggregate principal amount (or approximately 97%) of the 7.125% Senior Notes due 2013 (CUSIP Nos. 029171AD7 and 029171AF2) (the “2013 Notes”) and the 8.125% Senior Notes due 2012 (CUSIP No. 029171AC9) (the “2012 Notes” and, together with the 2013 Notes, the “Old Notes”) that were tendered pursuant to the previously announced cash tender offers and consent solicitations (the “Tender Offers”) and to pay related fees and expenses. The Tender Offers expire at 12:00 midnight, New York City time, on January 28, 2010.

Jefferies & Company, Inc. acted as sole book-running manager and initial purchaser for the offering of the New Notes and as sole dealer manager and solicitation agent for the Tender Offers.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy any of the New Notes or the Old Notes. The New Notes have not been registered under the Securities Act or any state securities laws, and may not be offered or sold in the United States absent registration under, or an applicable exemption from, the registration requirements of the Securities Act and applicable state securities laws.
