PART IV — OTHER INFORMATION

American Real Estate Partners, L.P. ("AREP" or the "Company") will be unable to file its Quarterly Report on Form 10-Q for the period ended September 30, 2005 by November 9, 2005 without unreasonable effort or expense because AREP requires additional time to complete its consolidated financial statements and notes thereto. The extension is necessary in order to allow AREP adequate time to properly reflect in the Company's third quarter financial results the effect of the acquisition of the assets of WestPoint Stevens Inc. by AREP's subsidiary, WestPoint Home, Inc., and the chapter 11 bankruptcy filing of GB Holdings, Inc., a subsidiary of AREP which owns a minority interest in The Sands Hotel and Casino in Atlantic City, New Jersey. Each of these transactions was complex, including from an accounting perspective, and the Company's management needs additional time to ensure that AREP's consolidated financial statements fully and fairly reflect the Company's financial condition and results of operations. The Company anticipates that it will file its Form 10-Q for the period ended September 30, 2005 on or before November 14, 2005, and that the Form 10-Q will be deemed timely filed under SEC rules.

If answer is no, identify report(s). Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

AREP estimates the following results for the three and nine months ended September 30, 2005:

PART IV — OTHER INFORMATION

Among the key factors expected to affect financial results for the three months ended September 30, 2005 are:

- Impairment charges of \$52.4 million are expected to be incurred in connection with the bankruptcy filing of GB Holdings, Inc.
- Net losses on marketable securities are expected to be \$23.8 million in the current year. There were no gains or losses on marketable securities in the comparable period of the prior year.

Among the key factors expected to affect financial results for the nine months ended September 30, 2005 are:
